Nadine – Nubile nymphet

Cameo – Join her for a starring roll!

Allo there, darlin', my name's Shazza, and I work in the *Greasy Plate* cafe next to the palatial Club HQ. My job is hauling the sweet trolley round, and I've been pulling puds for a living now for five years. So what's that gotta do with me, you ask.

Well, the lads from Club were in at lunchtime having their usual eggs, bacon, sausage, tomato, chips, fried slice, two bread and butters and a large sweet tea, and they left this magazine behind. It has 'Club Vol 20 No 9 First Proof' on the cover and lots of naked ladies inside. Well, me and the girls like a laugh so we had a look. Bloody hell!

Maisie was so shocked that she dropped a guy's sausage on the floor. We had to wipe it down with a dishcloth before we could give it back to him. Lorraine rather liked it — well, *she* would. We couldn't get her away from all those letters about

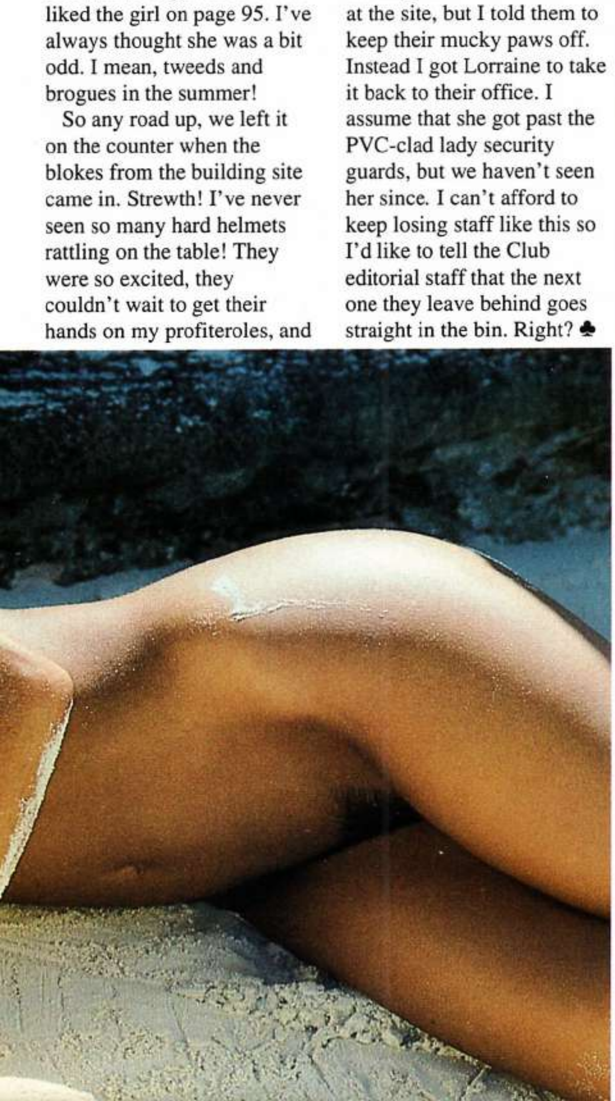
shagging and she had to go in the toilet after to change her kecks. And big Sam said she liked the girl on page 95. I've always thought she was a bit odd. I mean, tweeds and brogues in the summer!

So any road up, we left it on the counter when the blokes from the building site came in. Strewth! I've never seen so many hard helmets rattling on the table! They were so excited, they couldn't wait to get their hands on my profiteroles, and get a big squirt of cream on them. They wanted to show the magazine to the lads back at the site, but I told them to keep their mucky paws off. Instead I got Lorraine to take it back to their office. I assume that she got past the PVC-clad lady security guards, but we haven't seen her since. I can't afford to keep losing staff like this so I'd like to tell the Club editorial staff that the next one they leave behind goes straight in the bin. Right? ♣



COME AGAIN

the girl you've asked to see

Since Camille came on cue in Vol 20 No 7, every inarticulate pasty faced snooker player in Britain has crawled out of his tacky pool house to sing her praises. Of course there were plenty of crap snooker puns, like "Camille caused a bit of a Hurricane in my trousers" from Mike of Leicester, and "I'd like to do lots of rude things to Camille on a snooker table" from Brian of Birmingham *(Where's the pun in there? — The Ed.)*

There was only one voice of complaint, and that was from our Killjoy of the Month winner — George of Newcastle who said, "Ah cannut 'njoy me gayem any mower. Allus think aboot is Camille. Ah cannut pot me balls!"

Well George, maybe you should see a doctor. In the meantime, for all you other better-adjusted, but still socially inadequate snooker players, here she is again. ♣

Itty Bitty Titty Fan

I know most Club readers love big boobs, and you certainly show some lovely examples in your pages! There's nothing to beat the sight of a creamy, cavernous cleavage, with hard rosy nipples just aching to be sucked and nibbled.

I'd love to see a few more pictures of slightly less well-endowed girls, though. My wife has tiny tits, and she's always saying that she can't compete with the gorgeous girls who appear in Club, but the truth is I think her little buds are a real turn-on.

I get really horny when she wears low-cut tops with no bra, so I can peep down and see her little brown nipples. Her boobs may be small but they're very sensitive, and I can even make her come just by stroking and licking her nipples firmly. The only thing she can't do is give me a tit fuck — but she makes up for that in lots of other ways! — *Ian, Norwich*

Flatmate Frenzy!

I'm a 22-year-old bisexual girl who really loves Club. I share a flat with another girl, and we both have boyfriends who sometimes stay the night, but during our last set of college exams we were too busy to see them.

The last day of finals week I didn't have any tests and so I just crashed out in the flat. At last I had a chance to look at the latest copy of Club! If anyone saw it, I'd say it was my boyfriend's — but the truth is, I love looking at all the gorgeous girls and my boyfriend has no idea!

By the time I'd looked right through the magazine, I'd unbuttoned my jeans so I could ease my hand down my crotch. Soon I was rubbing my clit vigorously, rapidly approaching orgasm.

I was lying there, legs spread, my fingers dipping slowly in and out of my pussy, when my flatmate walked in.

"Sorry, I didn't mean to interrupt," said Liz, turning pink with embarrassment, and she walked out again. I didn't know what to say when she reappeared a moment later, stripped to her underwear and carrying a big vibrator!

"Look Debbi," she said, "I think it's about time we admitted something to each other. I know you're really into girls, and the truth is, so am I."

I was dumbstruck. Liz is gorgeous, with long black hair and blue eyes, and she's had more boyfriends than I've had hot meals. Yet here she was, sliding her tongue over my nipples and down across my stomach to my pussy. As her tongue stroked my cunt for the first time, she slid the vibrator inside herself. I came twice from her licking me before she brought herself off. Then we got into a 69 and I licked at Liz's pussy while she fucked me with the vibrator.

We still haven't let our boyfriends in on the secret, but I'm sure they wonder why we spend more evenings in with each other than we spend with them!— *Debbi, Salford*

Cue For A Thrill

I never thought I'd actually be writing to Club, but I just had to tell you about something really exciting that happened to me. I was in my local pub one night, and I couldn't help noticing four gorgeous girls sitting at a

Dear Sam

I would just like to say how horny you looked in your photoset in Vol 20 No 6. When I flicked through the mag, the pages fell open at your prick-teasing smile. My cock instantly sprang up hard and my balls began to tingle, and I then began to think of my naughty fantasy about you.

We're in the kitchen and you are feeling really randy. You sit me down, then begin to strip slowly and seductively. You then move your hands over your body, until you reach your gorgeous pussy lips, pushing them apart to find your eager clit.

As you frig yourself, I slowly pull my pulsating cock, taking myself close to orgasm, and then letting the surging feeling subside. You now move towards me, and kneel down on the floor in front of the chair, taking my cock into your hand, and plunging your lips down its shaft.

You take my dick out of your mouth and begin to lick it all over. The anticipation and the sheer spunk-shooting sensation that this gives me sends me to the point of no return, and I feel surges of spunk flowing up my cock, and all over your boobs.

Sam, this would be my ultimate fantasy, and I think you are the sexiest girl I have seen in the pages of Club for a long time. — *Donald, Hull*

Well, Donald, you're very sure about what you want, aren't you? I like a man who knows what he wants in bed — and knows what to give a woman as well. I'd just have one little thing to add to your fantasy. After the cock-suck I've given you, we'd go into a 69 on the kitchen floor and while I kissed and licked your limp cock back to throbbing life, you'd run your tongue along my slit to my hard clitty which you would lick until an orgasm exploded inside me, just as you spurted in my mouth. Then we'd do it all again! How about that for a fantasy? – Sam ♣

Yet more morons from the mag that shows you the sinners! This month: art semi-supremo Rod 'The Bod' Edwards.

"Hey man — I've got no probs with my body hair," smiles Rod, using his prehensile lips to draw deeply on an exotic cigarette. "Chicks really go for that funky fur."

The laid-back lothario of the art department is responsible for gently massaging each girl into place. "Hey dude — if you dig waheenies, this gig's where it's at," smiles The Bod. "And to me, babes are truly *the* most crucial beings."

But, we ask Rod, isn't there one problem with all this? Wasn't he, in fact, tragically born a chimp?

"You've used that joke before. Now fuck off." ♣

table right next to mine.

One of them, a stunning brunette, challenged me to a game of pool, and we struck up a friendly conversation while we played. It turned out that the barman knew the girls, and so when the pub closed he let us stay, and joined in a few games of pool with us.

After a while we started playing strip pool, and it didn't take long for us all to get naked. Of course, by then there was no way I could hide my hard-on!

Soon the pool game was forgotten as Dale, the barman, pumped into the gorgeous big-boobed blonde, while her dark-haired friend lowered her pussy onto his

You can tell from these pictures that Letitia is a bit of a sexual animal.

"I love sex, and I love real men," says Letitia, whose Amazonian looks and passionate nature come from her Brazilian background. "But masculine men are an endangered species these days. I haven't found a man yet who can control me, or keep up with me in bed!"

GOBBLE!

This month connoisseur of excess **Nathaniel Fatbastard** tries his hand at cricket. But the only runs he gets make his whites fail the window test, and what's worse, Ninja's got plans to join his team...

I may not look like a great athlete, but I am remarkably gifted when it comes to performing at the crease. Whilst other less talented players bang away sending their balls in all directions, I prefer slow, gentle strokes which mean I can often stay in for hours at a time. This technique has earned me a lot of admirers who shout and scream with my every movement and will be quite breathless with excitement by the time I eventually do get out. I'm pretty good on my own in the field too. My hands are always ready for a long toss near the boundary. All of which explains why I've become a member of that showbiz charity cricket team, the Turd's Taveners.

Only recently, I was asked to turn out with other cricket-loving celebs including Leslie Crowfucker and Willie Rushedpun at a match in aid of the Variety of Cunts in Great Britain to be held in Yawnmouth, Dorset. It also seemed the perfect opportunity for a dirty weekend with Ninja the Nympho, so I booked us into *The Indigestic*, a Thrust House Norte hotel on the sea front. Unfortunately, the first person we bumped into was that blazered buffoon, Crowfucker, ex-presenter of *The Prize Is Shite*, carefully touching up his hair with Cherry Blossom dark tan (£1.50 a tin).

"Aha, marvellous, bless your heart," he shouted to himself. I wasn't at all surprised when Ninja told me that the only regular series he'd had recently were weekly treatments at the Smashing Lovely Home for Guzzling Game Show Hosts in the nearby village of Havant Lately. Here pissed-up panel game presenters high on cognac, cocaine and catchphrases are taken through everyday situations, like meeting members of the public, without resorting to well-rehearsed one-liners or the bottle. After several rounds, the winners are the ones who go home empty handed and able to converse without the aid of cards written by Barry Cryer. Leslie Crowfucker had lost. We left him shouting, "You're a lovely person, smashing, bless your heart," cheerily to himself and headed for the bedroom.

The Indigestic (112, The Esplanade, Yawnmouth — 49 guineas a night for bed, breakfast and evening congeal) is a typically Engish hotel whose idea of in-room entertainment is a kettle and a coin-operated trouser press. But who cares! Ninja had been wearing her Kiss Me Clit T-shirt without a bra all day, making her breasts bounce like two space hoppers in a sack, and I was keen to get into training by touching up my googlies and bowling a maiden over. Unfortunately, I was caught out. Halfway through, one of those million-year-old maids with a thousand keys on a piece of string came in, replaced the towels, emptied the bin and hoovered the floor as I was about to knock Ninja for six. The old maid ignored us, but it did put me off my stroke, and a few minutes later the bat drooped and wane stopped play.

The first piece of good news was that the charity match was sponsered by Twatleys, the brewers, so I went straight to the hospitality tent. The beer was free and the tent was plastered with posters saying, "Irritatingly, Repetitively, Adverbially — Twatleys," and one created by their agency just for their sponsored cricket matches, "Twatleys Bitter — the pint that'll give you the runs!"

Crowfucker was already there drinking free pints with half-pint vodka chasers, as was Sixties satirist Willie Rushedpun, surrounded by girls from Twatleys. We were also honoured by a guest appearance by TV entrepeneur David Frush, now better known for letting us look *Through the Peehole* of the rich and famous. I was just looking to make some contacts when I felt a light tap on my shoulder.

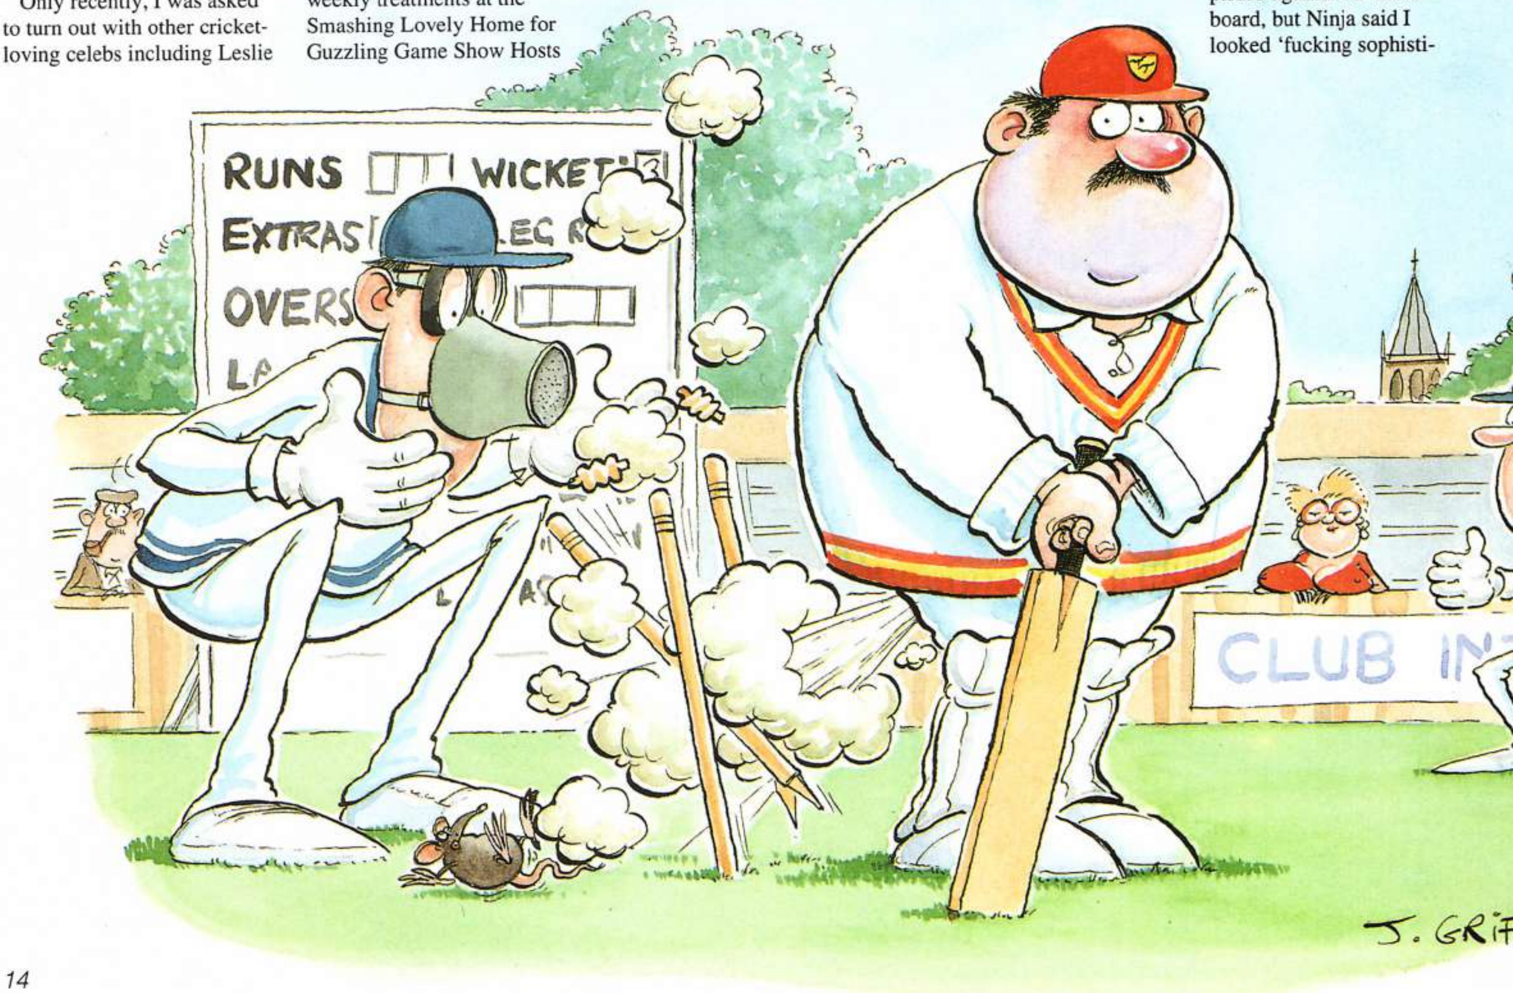
"Oooh, Natty Fatbastard!" trilled TV chef Hudson Halls. "How spesh! I didn't know you were one for ball games!"

"Do you play with the Taverners?" I asked embarrassedly.

"Oooh, yes! I get ever such a warm hand up the Oval! I'm more your bowler sort really. You should see me pounding away at the gasworks end. Have you met my sauce chef, Neil? I call him that cos he's always on his knees!"

After that, I rushed to the bar. By the start of the game, I'd actually knocked back even more than Crowfucker.

I can't remember much about the game except the roar that went up when I pissed against the scoreboard, but Ninja said I looked 'fucking sophisti-



cated' in my whites. 'Like a competitor in the tall ships race' were her exact words, I think.

At the vodka interval, the Turds needed just ten runs to win, and it was my turn to bat. Unfortunately, the Twatleys, vodka and cucumber sandwiches made me fart so badly, I blew my own stumps down. To make matters worse, I was unable to avoid the follow-on, and so somewhat stained, I waddled back to the pavilion as a bad shite stopped play. The Taverners lost.

That night, Ninja was most supportive — she had to be, as the vodka had given me vladi awful brewer's droop — and she even washed my cricket box so that we could continue using it as a fruit bowl. But I was depressed.

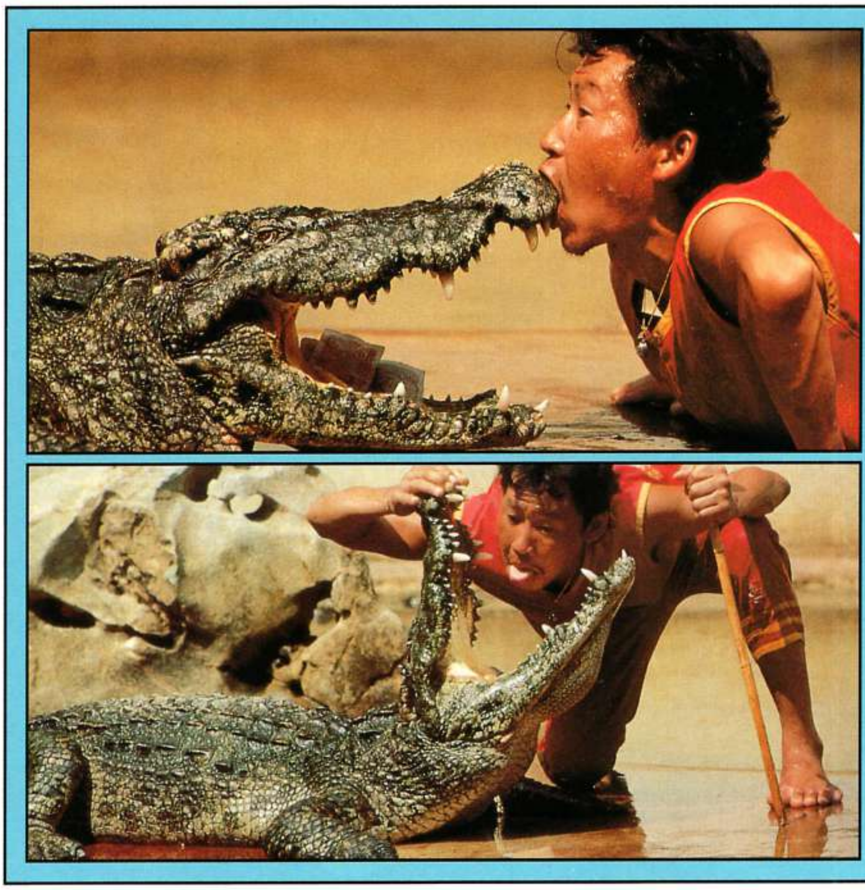
"Oh Nat," she sighed. "You'll always be a real man in my thighs, I mean eyes. Why don't we get hitched?"

"Good idea!" I cried enthusiastically, climbing aboard for a coupling worthy of a freight train.

"Okay, how about September 12th at my local church with full choir, bells and Sidney Flasher as photographer. I've taken the liberty of booking them already. I thought you'd never ask. Oh Nat!"

Oh fuck! ♣

NUTTER'S CORNER



Thailand... home of those beautiful and submissive girls who let you eat your dinner off their bare bodies — and can't wait to give you a blowjob for afters. The land of sexual ecstasy, where every woman's idea of a good time is to thrust her bottom in the air and moan "Give it to me, big boy!" (In Thai, of course.)

With women like that for the asking, what do the menfolk get up to? They snog crocodiles.

Our pictures show reptile Romeo Samut Li demonstrating the nose-suck, a traditional form of Eastern crocodile foreplay, and then getting close for a good tongue-waggle with Tessa, his toothy betrothed. "Who needs girls when you've got a randy mobile handbag?!" chuckles Samut with a smile.

How do we get away with writing rubbish like this? Write to 'Rubbish' at Club, and we'll phone you up and tell you! ♣

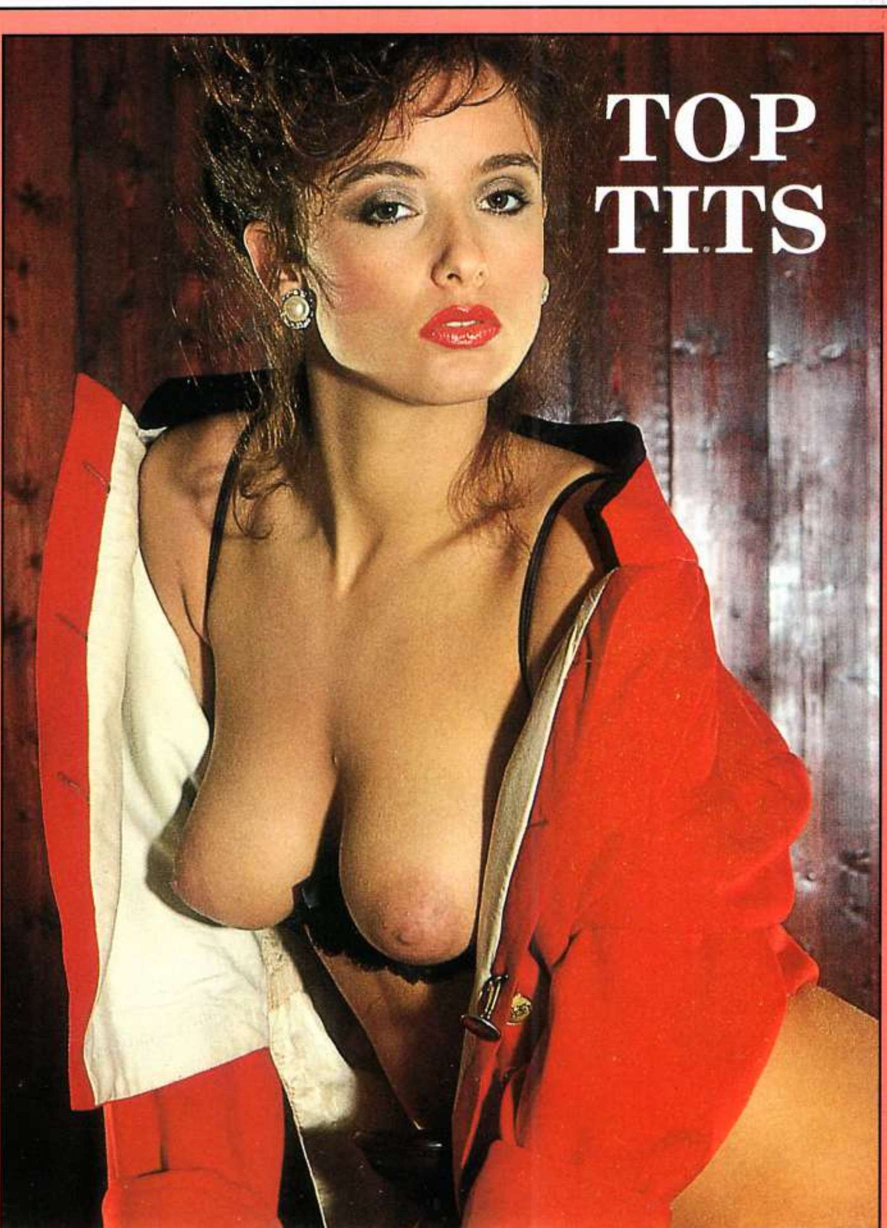
TOP TITS

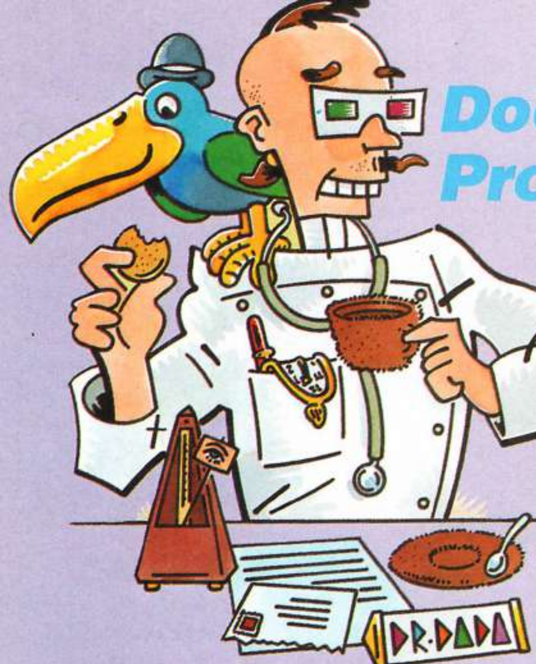
Oh disaster! This month the Top Tits tour convoy (comprising jug-gernaut, jobblie jet and 4,000 official breast inspectors) was supposed to arrive in the Algarve for a warm, wet investigation by the tropical ocean. Alas! We broke down in Milton Keynes in the pouring rain.

To our horror we found that Milton Keynes is in fact a stage set for the ad that says, 'Come to Milton Keynes'. The chances of finding a pair of whopping whammers to grace my column were getting slimmer than an Real McCoys extra-thick crinkle cut crisp.

The Ed was screaming down the line from London: "Dig out some dugs or your column's chopped!" In a last desperate attempt, I sent out my boob boys, and at the eleventh hour, when the Ed's scissorhands were poised, they came up trumps with this lip-smackin' pair. Where did they find them?

Join the AA, guys — the lady mechanics are considerably larger!. — *George Breast* ♣





Doctor Dada's Problem Page

Our fully trained surrealist is here to knot your sausages. Why not fondle his coal-scuttle for the holiday of a life-time?

Dear Dr Dada,
My husband Bob recently said he wanted to have me in the 'wheelbarrow position'. Naturally enough I was happy to oblige his raunchy request. However, I have been propped up next to this motor mower in our potting shed for nearly a fortnight now and I'm getting a bit fed up. Should I tell Bob? Or might that lead to him seeking sexual gratification elsewhere (probably with Mrs Sidebottom at number 69)?
Mrs Growbag, Shedwell

Dr Dada replies: ***Etiquette presents us with many such sticky problems, Basil! Whilst a tweed trilby stuffed with sauerkraut is an acceptable snack to serve to a charabanc load of Sikhs, I think you'll find that a handful of pencil sharpeners will prove more popular. And at just 35p a pound it's a snack all the family can enjoy!***

Dear Dr Dada,
My girlfriend Esmeralda keeps saying she's desperate for a good hump. Apparently the one I've got isn't big enough for her. What can I do? Please reply soon, as I think we're heading for a real ding-dong.
Quasimodo, Notre Dame

Dr Dada replies: ***I'm afraid your nephew is correct, Professor Chickweed. Anthracite is the smallest marsupial, with a cylinder capacity of just 50cc. However, when ridden by an expert such as Una Stubbs it can travel faster than rhubarb. Collect air miles here.***

Dear Dr Dada,
My boyfriend Paul recently announced that he fancied a bit of 69. "Go ahead, big boy," I replied with a seductive look. Imagine my dismay when he promply nipped next door and started banging Mrs Sidebottom. It was only then I remembered that we live at number 68! This misunderstanding has ruined my life. What can I do to win Paul back?
Yvonne De Bierlone, Sweden

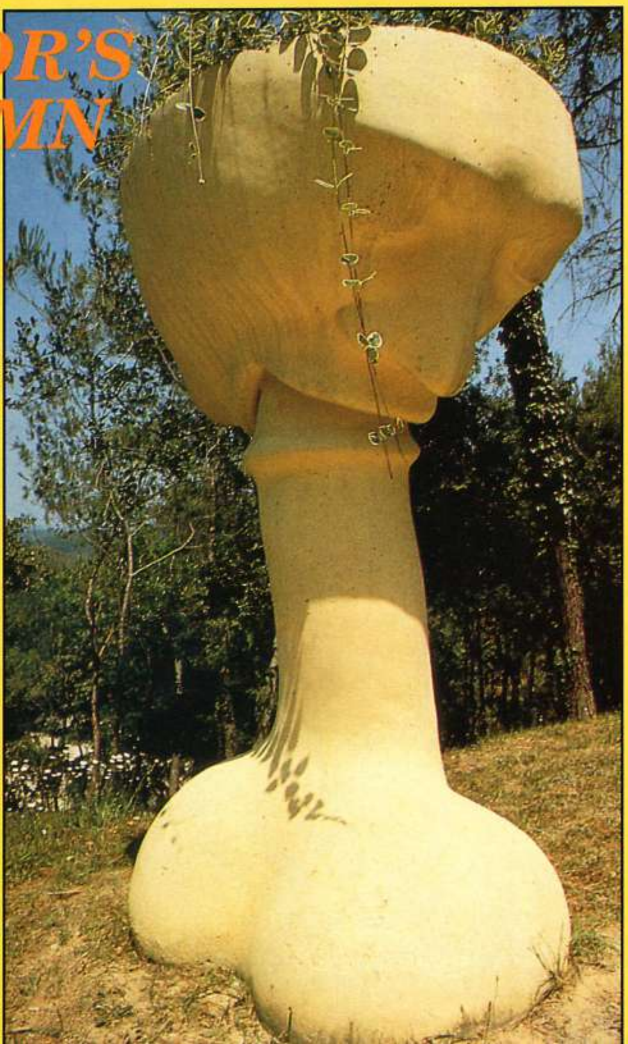
Dr Dada replies: ***As well as writing such classics as 'Wuthering Heights', 'Dawn of the Shitehawk' and 'A Raspberry in my Camisole', Emily Bronte toured the Music Halls. She was billed as 'Wee Betty Bowker and Her Troublesome Trombone' and entertained audiences by wobbling blancmanges in time to 'The Blue Danube'. As an encore she ate a child's paddling pool without chewing the crusty bits. Happy days!***

Dear Dr Dada,
Like any responsible parent I encourage my grown-up children to practice 'safe sex'. Unfortunately last night the door slammed on Justin's penis and I have completely forgotten the combination. In a classic display of outmoded sexual attitudes the local locksmiths all laughed when I phoned them with my problem. Can you help? I have also written to *The Guardian.*
Jocasta Muesli-Bowl, Islington

Dr Dada replies: ***You card, Lazlo! An exploding cistern was bound to prove a hit with Raisa Gorbachev, especially when you secreted it in Leslie Crowther's money belt. But you forgot to tell me more about Ferdinand the argumentative fish slice. Is he still discussing Sartre with Imelda Marcos' crocodile handbag? Book now to avoid disappointment.***

Dr Dada is a member of the Hygena QA range of fitted kitchens. He is available for weddings, functions and little bits of liquorice called Debbie. ♣

EDITOR'S COLUMN



The latest addition to the palatial Club HQ roofgarden is this twelve foot sculpture commissioned by the Ed. It symbolises the close working relationship enjoyed between himself and the staff.

"It was a close-run thing between this and a rather tasteful little statuette of ten gnomes kissing my bottom," smiled the Ed from his throne in the echoing office tower. "Unfortunately I've sacked everyone, so I couldn't get a second opinion."

The burning question is, of course, is it life-size? The diminutive Ed smiled, blushingly. "You're sacked," he said. ♣

Three's No Crowd!

My girlfriend Diane and I have had an ongoing joke for a couple of months about trying out a threesome with her friend Penny. It never seemed to get anywhere though — until a few days ago, when I walked in on the two of them fucking on our livingroom floor!

Diane was lying with her legs spread, naked, as Penny held her cunt open with her fingers and licked her. As I watched, Diane started to buck her hips and moan loudly as she climaxed. Then Diane rolled Penny over onto her back and pulled her damp panties right off. My first glimpse of Penny's cunt was a dream come true: she was completely clean-shaven!

I stood there for quite a while before either of the girls noticed me. When Diane did finally look up from Penny's juicy pussy, she smiled and said, "You were quite right about her — she tastes delicious!" I took that as an invitation to join the fun, and my trousers were off in a flash!

Diane must have read my mind, because she got me to lie on my back while Penny straddled me. Then she guided my cock right into Penny's tight, wet love hole. She fondled Penny's boobs and fingered herself as Penny slid up and down on my cock — and when I shot my load, she licked my spunk out of Penny's pussy.

Diane later told me that watching me thrust into Penny's cunt was the horniest thing she'd ever seen — and she's looking forward to the next time! — *Jim, Dundee*

I have never written to you before, although I have been reading your great mag for three years now. My name's Vicki and I'm a 21-year-old lesbian. I'm 5 foot 8 inches tall with 38 inch boobs and I've often been told by my many girlfriends that I'm very attractive.

Do come in, Mr Fanshaw – you're an actor, aren't you?

It was my current girlfriend, Lisa, who persuaded me to write to you, so here goes. I'd like to tell you about our threesome with Debbie — who is very pretty, with long, dark hair, and looks a lot like Dawn from Vol 20 No 7.

Recently we went to a nightclub to celebrate her birthday. It was packed with gorgeous girls, but one in particular caught our eye.

She was wearing a mini dress with stockings and suspenders and high heels. Her hair cascaded over her shoulders, and we both fancied her straight away. I

Clare

Photographs by Ulf Stjernbo

Clare, the busy bombshell who you guys just can't get enough of, has three hobbies. One is tuning her beautiful body at her local gym. Another is learning French at nightclasses. And the third? "Dressing up in my sexiest

underwear, then slowly peeling it off again," the sexy 22-year-old reveals. "I like to imagine a guy watching while I take off my lacy bra, rubbing my nipples so that he can see them standing up hard and ready. Then I slide my hands down to my panties and slip them off, so I'm wearing nothing but my four inch heels."

Sounds like fun, Clare.

"Oh yes, it is!" she giggles. "In fact it's taking up so much of my time, I may have to drop my other hobbies..." ♣

RearEnders

More from the soap where everything comes right in the end...

Fat Butchcow and her husband Rank came out of the Betterbums supermarket clutching a selection of hot bot videos and posterior-related paperbacks. Manager Reg Holdsbuttock congratulated his assistant Curly Pubes on grabbing these new customers from Alf's Botty Market.

"Do you know what I think we should do next?" said Curly, wiping his pebble-lens glasses. "I think we should organise a charabanc trip in the Betterbums bus for all our customers. How about the village of Bumbridge? And if Mangie Botts, Butt Clynch and Rita Faircleft can come, it'll be a cheek-squeezer's paradise."

Reg flinched at the mention of Rita. Only last month she had jilted him for not paying her perfect posterior more attention. Could this be a means to her end?

"That's a bloody good idea, Curly," he said. "Go down the *Groper's Return* and get them to put a poster up."

The short-sighted supermarket sex symbol did as he was told and slipped into Mangie Bott's snug. The sight of her tight little arse in a painted-on pencil skirt made him made harder upfront than Gazza.

"What can I do for you, babe?" she asked, spotting the Assistant Manager's recent rise..

"Can you put something up for me?"

"No worries, babe," Mangie replied, bending over the bar and lifting her skirt. "And you can keep up there as long as you need to! Oooh, now I see why they call you Curly!" To be continued or not as maybe... ♣

......IT IS NOW!

From sex to Sumo wrestling... once again Club's sport correspondent ***Maurice Short*** *witters on about things he knows nothing about...*

Every so often a book comes along that makes even hardened sports hacks such as yours truly throw up their hands in horror crying, "Outrageous. Disgusting. Exploitative... Fucking hell, why didn't I write that?"

Such a book is *Hampden Babylon — Sex and Scandal in Scottish Football*. Within its pages, the reader will find models of Caledonian sobriety such as Patsy Gallacher, a Celtic star of the 1930s who once donned a maid's uniform in order to escape from the team hotel after curfew for a swift drink in Dunbar High Street; Jimmy 'Drunken Sailor' Johnstone, who boarded a rowing boat after a monumental piss-up with Scottish International team mates and was floating off in the general direction of Newfoundland when he was rescued by fishermen in the Firth of Clyde; and 'Vodka Vic' Kasule, who overturned a team-mate's car on his way to buy a morning paper.

Birds feature as prominently as bevvy in these scandalous sagas, most notably in the stories of Mo 'Dodgy Tracksuits' Johnston, Frank 'Ginger Pubes' McAvennie and Charlie Nicholas. Of 'Champagne Charlie', Teresa Bazar comments movingly: "We talked about football, but all he wanted to talk about was sex. I hear he's not scored many goals recently and that's why he left Arsenal, but I can tell you he certainly scored a hat trick with me that night." Which reminds me of Brian Clough's favourite maxim: "It only takes a second to score."

Mo Johnston: thrusting Scotsman

The saddest tale in the book is that of Willie Johnston, sent home from Argentina when traces of proscribed substances were found in his urine. Johnston had been taking pills for hayfever, but it transpired that the tablets given to him were more commonly used in the treatment of post-natal depression. Perhaps if Willie

It's amazing how one minute a famous person is famous, and the next... they're still famous. Club researcher ***Trev Pursuit*** *digs out his file...*

Terry Wogan: still famous.

Dear Club,
I used to be a fan of Terry Wogan's Radio 2 show. With his cheeky Irish grin (which you couldn't see, but it sounded like he had one) and funny little jokes that never made me laugh, he made me a regular listener to Radio 4.

Whatever happened to him? Did he, like so many other DJs who simply got too old and boring, get sacked and turn to hard drugs? Or was it indeed him I saw not so long ago on *Treasure Hunt*, with his blonde hair blowing in the wind and his tight bottom earning him the coveted Rear of the Year title?
Donald, Manchester

Our Club researcher replies:
Well, Donald, after a prolonged search through my files which drew a blank, I gave up and switched on the telly — and there he was! Terry Wogan now has his own chat show called Neighbours in which he moves next door to famous people.

Dear Club,
At my metalwork class I made this very attractive ashtray for my parents. On going home recently, I expected to see my ashtray on the mantlepiece, but it wasn't. I am worried that it may have been stolen to be sold at a vastly inflated price on the black market.

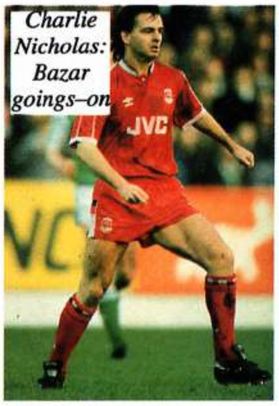
Where are they now? (1): World Cup Willy tragically died after over-exerting himself in a three-in-a-bed romp with Bulldog Bobby and Ciao, the ludicrous leggo-thing from Italia '90.

Reader Andy of Tooting has fired off a missive to me this month. Apparently I should be jumping with joy because the USA has allowed London to have a team in the ridiculously named World League of American Football ('The World' evidently comprises England, Spain, Germany, Canada and — you guessed it — the USA). Sorry, Andy, but I can't raise even a grunt of delight at the thought of the London Monarchs (or Moan-Arks as we should no doubt call them) or for Gridiron Football, a kind of stock-car racing for men who can't drive.

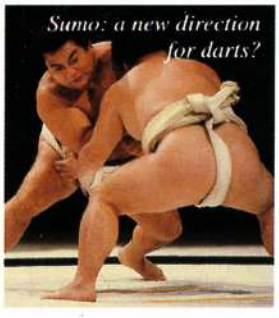


Charlie Nicholas: Bazar goings-on

America has given the world many fine things, including Julia Roberts and Haagen-Daz ice cream (a combination that would certainly make my sundae), but when it comes to sports, forget it. Baseball, a sort of rounders for tobacco addicts, is such a wonderful game that the only other nations who have taken to it with enthusiasm are Venezuela and Japan. Yet baseball's administrators still have the nerve to call it the 'World Series'. Perhaps Britain should take a leaf out of their book, resurrect the Home International Football Championship and rename it the 'Masters of the Universe Trophy'.

Where are they now? (2): Jimmy Hill's beard, Billy, is now manager of his own leathergoods store in Kidderminster. He is married with one goatee.

My comments a few months ago about sexy sportswomen have swelled the Club mailbag to Buster Gonad-type proportions. Most letters mention Gabriella Sabatini as an ideal partner for a couple of sets of mixed doubles, whilst many more readers feel they'd like to go a few lengths with Sharon Davis, the blonde swimming starlet.



Sumo: a new direction for darts?

Julia Roberts: jolly pretty

My favourite response, however, comes from Ken in Darlington, who says, "If the wheelbarrow race ever becomes an Olympic event I'll volunteer to be Jamaican sprinter Grace Jackson's partner." Your name will be second on the list Ken, right below Maurice Short.

Where are they now? (3): Jiminy Cricket, the cuddly grasshopper employed by the TCCB in the 1970s to promote cricket in Britain, joined a plague of locusts after retirement. He is currently on tour in Egypt.

Apparently the game of darts has hit hard times. A lack of TV coverage means that top professionals have had to take a huge cut in salary. What a sorry state of affairs! I've got some advice. By re-deploying their massive talents into the increasingly popular sport of Sumo Wrestling they would soon be earning a fortune again. I have no doubt that the crafty Cockney could easily barge the Dump Truck, the Sea Slug and their colleagues out of the ring. And I'm certain the prospect of seeing Jockey Wilson dressed in nothing but a black leather nappy would draw in the crowds. Of course, being a Sumo wrestler means living a spiritual and monastic life, but I'm sure the lads are used to that.

TAPED!

Ever get the feeling you've been here before? Club's adult vid man, ***Allan Bryce,*** *reveals something borrowed, something blue...*

The adult movie biz has long had a fondness for borrowing its plots and titles from the Hollywood mainstream. Who can forget such critically acclaimed classics as *Sperms of Endearment*, *In The Heat of the Nightie*, and *Rambone*? In some cases the porn merchants decide to remake exactly the same film and stir in an excess of hardcore humping, which is what they've done with *Black Widow* (After Hours Video), a sexy new version of the Theresa Russell/Debra Winger hit of a couple of years back.

In the original, Russell played a beautiful woman who married rich men for their money and then bumped them off by slipping poison in their cocoa. In this case the bad girl is the stunning Ariel Knights, and her *modus operandi* is much more intriguing; once she gets her new hubbies between the sheets on the honeymoon night, she gives them such a seeing to that they expire on the spot — coming and going at the same time.

The grieving widow then inherits a big wedge, changes her name, and goes back to her girlfriend, Jaqueline Lorians, a committed lesbian who believes that God created men only because you can't teach a vibrator to mow the lawn. But old habits die hard (just like Ariel's spouses), and after a two-girl encounter with Jackie that's so steamy you could make a cup of Gold Blend with it, our horny heroine is off chatting up a rich advertising executive.

"You smell beautiful," says the smooth adman.

"I try not to smell bad," replies our heroine. You can always turn the dialogue down, of course.

Black Widow is one of the very first releases from a brand new adult video company called After Hours, whose packaging reflects an eye for quality which also extends to the content. You'll be pleased to know that the gals on the sleeve actually turn up in the movie, and that

Debbie was pretty keen on the idea too, and in the taxi home to our flat things were starting to get steamy. Debbie had her hands all over us!

At the flat, Debbie knelt in front of us. She played with my wet slit with her fingers as she fucked Lisa with her tongue. I came as Lisa was screaming and bucking her hips up and down against Debbie's tongue. Then I pulled Debbie's panties down. She gasped as I entered her with my tongue, and I remember thinking that she tasted almost as delicious as Lisa. Afterwards Lisa got out her double-ended dildo, and spread Debbie's legs wide before inserting the toy. Once it reached as far as it could, Lisa sat on the other end and they fucked each other with the dildo. I sat watching and playing with my clitty, and then Debbie lay between my legs and inserted her tongue into my very wet cunt. Lisa was sucking my tits, before planting her delicious pussy over my mouth.

All this went on far into the night, and the next day, and it soon became clear that Debbie was going to have to move in so that we could spent more time together. We're now a threesome in our flat. Who knows how long it'll last, but it's great while it does! — *Vikki, Nottingham*

At last — an outrageous cocktail that even Del-Boy would shun!

The Yorkshire Terrier Surprise is a favourite in darkest Darrowby, where canny Yorkshiremen are determined not to be outdone by any new-fangled London nightlife.

nobody in the cast wears flares or tank tops. Okay, so the sex-scenes are heavily trimmed, but the cutting has been done in a clever fashion, making good use of freeze-frame and slow-motion to pad out the running time.

It's well directed by former porn star Paul Thomas and the girls are really horny — you'll also spot the gorgeous Aja and naughty Nikki Randall in some very sexy underwear. The bottom line is: if you can't reach a gland finale with this lot then you may as well cancel your subscription to Club and take up weight training. ♣

If you thought The Block was only for new kids, you'd be wrong. It's the name given to Baltimore's red light district as portrayed in *On The Block* (Capital Video Cert 18).

Marilyn Jones plays Libby, the town's sexiest stripper, and the Ed was there to catch her knickers when she cast them off during some of her raunchier routines. In fact we have fifteen pairs to give away (it was some show!) — each with a copy of the video slipped inside.

These sexy knicks will give the lady in your life a chance to be as lewd as Libby without being part of the States' seedy underworld. All you have to do to win these pristine panties and a copy of the video is answer the following question in the wittiest possible way: Why do girls wear knickers? curves of my cheeks like a second skin.

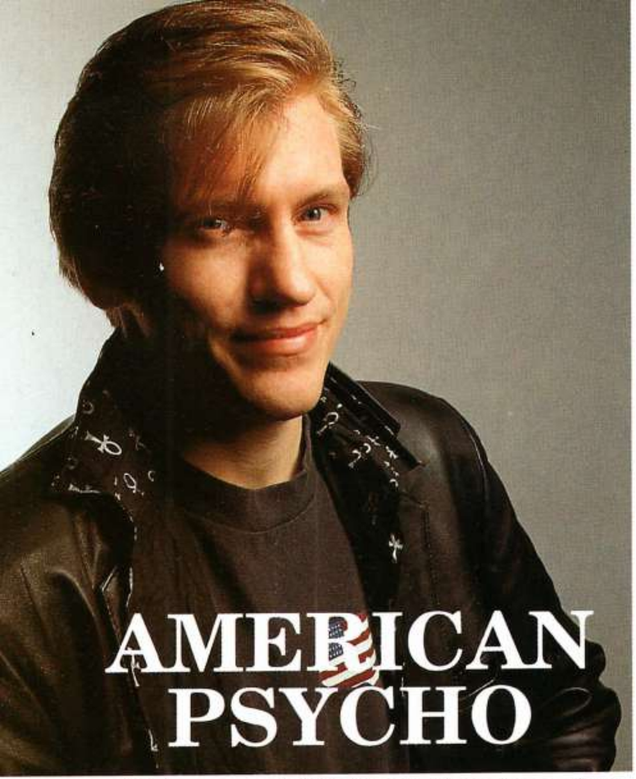
"I never wear knickers under them," giggles the blonde bombshell naughtily. "That would spoil the feeling of the rough denim rubbing against my smooth skin. A few minutes of that delicious friction and I'm ready for anything!" ♣



AMERICAN PSYCHO

On 80 fags and 90 death threats a day, outrageous comedian Denis Leary is living on borrowed time. Club interviewer ***Alan Cale*** *took ten minutes...*

"If I hadn't gone on stage I would have been one of those guys who would have taken a fuckin' gun and killed my family, then killed somebody down the store, then gone on a fuckin' rampage." When American stand-up Denis Leary says things like that you don't doubt it for a moment. You start looking for the door. Leary looks and acts like some psychotic street preacher on bad acid; an American Bernard Manning but sicker. Leary is massive in the States with his own TV show and a huge cult following. Now, armed with routines on cancer, Iraq and Catholics, he's set to make his mark on this side of the Atlantic.

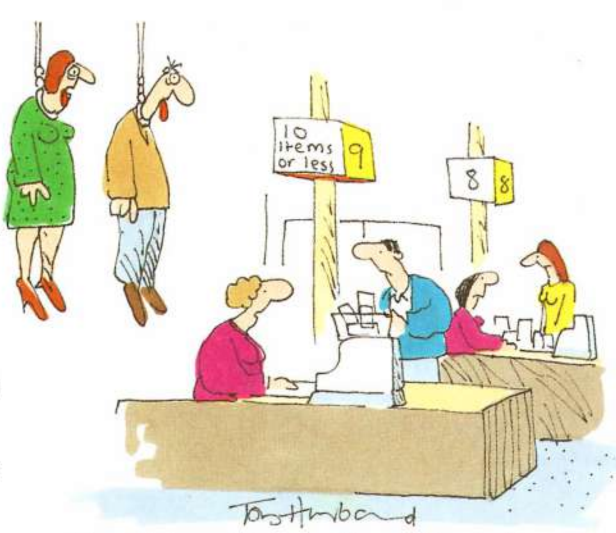
Lighting up continuously on stage, Leary has made having a tumour trendy. "I smoke eighty packs a day and I'm looking forward to cancer... Tumours are better than moles; at least there's no hairs on tumours," says the 34-year-old Bostonian who's in this country to host the American version of BBC1's Paramount City and appear at the Fringe festival in Edinburgh this month.

Leary has no limits: "Shock is a fuckin' good thing." He does not draw the line: "Other fuckin' people do that for me!" He's even got a way round the censors: "It's what I call the 'Pig Fucking Theory', where I have twenty ideas for my show and ten of them I know will be cut out of my act by the TV producers even before the show starts. That way if I want to do a bit about fucking Dan Quayle up the ass with George Bush's head, they'll say, 'No you can't say George Bush', so I get away with saying 'Fuck Dan Quayle up the ass.' Simple really."

Leary's ability to exceed the limits of terrible taste have landed him in trouble more than once. He'd only been in Britain a few days before he was getting people's backs up. In June, viewers of the Jonathon Ross Show complained to Channel 4 that Leary's comments about the British hostages in Iraq ("Why do they never take any fat hostages? Those over-weight fuckers could do with a month sitting in a cell eating shit.") were, to say the least, in rather poor taste.

But hard stares from the Right To Reply video box are nothing compared to Leary's reception back home in the US. In New York he was threatened with a gun from the audience, and in Boston a knife was drawn on him — just for saying that Def Leppard would have been better off if their drummer had lost both arms and played with his head.

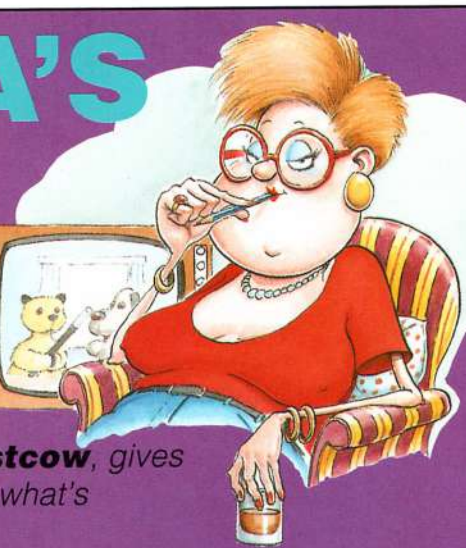
Yep, Denis Leary doesn't give a fuck. His only regret is that he had to stop doing hard drugs. "It was a question of either stopping drugs or stopping living. Anyway Night Nurse is cheaper." His only wish is "to have a tracheotomy so I can smoke two cigarettes at once."



They tried to get through with more than ten items.

NINJA'S BOX

It's time for the new season's TV — which of course means yet more repeats and crap game shows. Club's answer to Barry Norman, ***Ninja Pystcow****, gives her considered opinion of what's watchable on the box...*



Hi guys! I must have had it off more times this summer than ever before. I've spent the months with one hand twiddling my buttons and the other on some knob trying to get a little fun, but to no avail. Let's face it, guys, summer television is shite.

If its not the BBC's Grating Summer of Sport it's bloody awful repeats. Is it just me or has the Summer of 91 been taken up entirely with golf? If I turn on and see Nick Dildo playing with his little white balls again I shall honk my half pound of Dairy Box. How can you get a soft centre over a guy who's obsessed with avoiding a bit of rough and takes five attempts to get anything in a hole? And as for 'a second chance to hate' some shit-com like Micheal El Thick in *Three Jokes, Two Funny* (BBC 1 Thursdays) forget it. My fondleable friend Nat could eat Alphabetti Spaghetti and shit a better script!

Bring back the *Late, Late Bricklayer Show* (BBC 1 1985) I say. At least that had the suckable Mike Stiff on it. He can share his chopper with me anytime, and unlike being with his little wifey Sarah Greede, he wouldn't have any trouble keeping it up.

On ITV, we've been 'promised' yet more series of *Feadle's A Cunt* and *You've Been Fucked* (ITV every Saturday for eternity), starring the poisonous prankster Jeremy Feeble. If he came round to my place with his out-of-work actors playing council men who want to set up an oil rig in my garden, he'd find my size six stiletto drilling for oil up his back passage — and I bet I'd find it too, greasy little shit that he is.

Incidentally, here's one of my big tips to hang onto. The vehicles Feeble hides his camera crews in (you can see them in some shots, there are always at least two) are usually unmarked yellow Telecom vans. So if your street is empty apart from a cluster of ex-Telecom

Nothing is too sick to get the Leary treatment: cancer, colostomy bags ("I'm a born-again colostomy bag-boy. I've got the big one with the picture of Cliff Richard on the side."), and even the victim of a pit bull terrier attack. Does nothing shock him? "Yeah, I'll tell you what fuckin' shocks me," he rants, waving his cigarette wildly. "The dumb fucker that spent half an hour with his face in a pit bull's mouth getting his nose chewed off says he still loves dogs. Some people just don't fuckin' learn."

So what happens when people aren't bothered by jokes about tumours and cancer and Jim Henson and pit bulls any more? Do you start telling jokes about the mother-in-law and Irishmen? "Oh no, there's always shit that falls into your lap that makes really great fuckin' jokes, like Rajiv Ghandi getting shot..."

If you'd like to test your shockability at a live Leary show, you can see him at the Assembly Rooms, Edinburgh from August 9 to 17, starting at 9.00. His top selling US album subtly titled 'I Shot The Kennedys' will be released later this year. Don't say we didn't warn you. ♣

Transits outside your garden, look out for a short fat man with a face like a scrotum with partial alopecia, and arm yourself with a freshly nailed baseball bat!

I told you I can teach you guys a thing or two!

Copulator! ♣

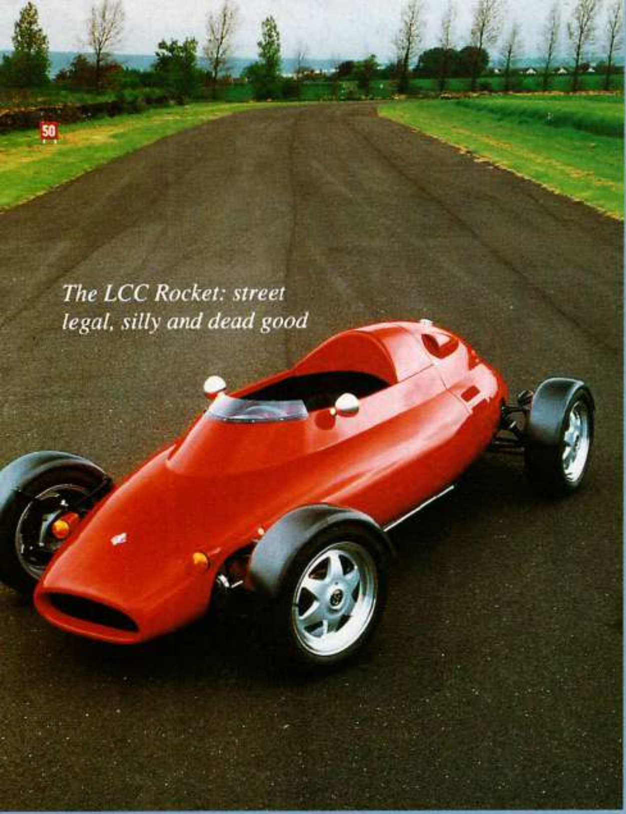
If you're wondering why naughty Nadine's in such a hurry to strip off, it's not just because she wants to bare her beautiful bod for all you horny guys! "I feel so much more comfortable when I'm naked," reveals the blonde

bombshell, whipping off another layer of clothing. "You know how some people kick off their shoes when they get home from work? Well, I take off my knickers! I like to feel the air on my skin... and it also makes indulging my body much easier!" But what happens when you have unexpected guests, Nadine? "I usually make them strip off too!" ♣



The LCC Rocket: street legal, silly and dead good

Phut! Phut!

*Bored car correspondent, **Horst Pipe**, snores his way through Formula One racing, the World Land Speed record — and wakes up just in time to drive the Nissan Micra...*

Brits love losers — which is probably why Nigel Mansell is still a popular figure. *(You can tell he wrote this one a while ago, can't you? – Ed.)* One solution for Nigel and the boring state of Formula One racing would be for him to put in a bid for a car recently advertised for sale: "Unique one-owner car, alloy body with Rolls Royce engine. Very fast but never raced or rallied. Full service history, extras too numerous to mention, genuine reasons for sale. Offers invited around £800,000."

What the ad didn't say was although it hasn't been raced, the jet-powered car has still been trashed. Pretty comprehensively. On one occasion back in 1983 the owner took it up to 633mph and captured the World Land Speed Record.

In fact owner Richard Noble would prefer the car — called Thrust 2 — to go to a museum in the UK, but admits he doesn't really know how much to ask. One local garage owner has offered £200, proprietor Robin YewBlind later telling us, "I'm doing him a favour. It's almost ten years old, the MOT has run out, there's no radio or road tax, and demand for this model has dropped right off since the Budget." Another thing which may put buyers off is the cost of the insurance: the car is classified as Group 1004.

There's nothing wrong with the idea that cars should be as safe as houses, but these days there's a very real risk that they actually will become houses. The new S Class Mercedes already has double-glazing, and now Saab is to fit new cars with hot and cold running water. Their new thermo-accumulator stores heat when on the move and will keep a stationary engine warm for up to three days in order to alleviate the problems associated with cold starts. Sounds boring. So does the Nissan Micra — and what's more, it is boring. Autocar claims it "lacks the sparkle of a Metro" which is like saying it lacks the fanny magnetism of a Lada. Experts are now claiming this horrid little Jap-job is the world's first 'Virtual Reality' car. VR, in case you've been lucky enough to miss the hype, is the name given to the artificial and imaginary environments created by computer bores and hippies who can't cope with the real world. The suggestion here is that Nissan's style-free Micra is bought by people who can't cope with a real car.

Those silly street-legal Group C cars are pretty pointless, unless you can find a dead straight stretch of road at least ten miles long, and guaranteed free of both traffic and cops. But the new LCC Rocket does sound like fun, even though it's only got a one-litre engine.

Designed by top Formula One designer Gordon Murray, it looks like a 1950s F1 car and will hit 0-60 in just four seconds, due to an all-up weight of just 775lbs and 1,000 cc of all-alloy Yamaha Genesis engine.

With five valves per cylinder and a rev-limit around the 11,000 mark, the Genesis boasts the kind of technology car manufacturers won't get around to for another 20 years. It has more than 143bhp to play with, which, in a car less than half the weight of a Mini, is substantial — 140mph is possible.

Nigel Mansell: what is he doing over here?

The Rocket has a ten-speed gearbox, but no radio, no windows, no doors — and no shortage of advance orders. This one will run and run. ♣

orgasm flooded over me. I had just had the most erotic dream of my life — so powerful that it had made me come without touching myself.

I had dreamed that I was in a dark room full of naked bodies, men and women, who ran their hands over me, touching me with mouths and fingers and cocks. I couldn't see who they were and simply surrendered myself to the pleasure I was feeling.

One more touch on my throbbing clit would send me into orbit. All I wanted was a decent sized cock to fill my pussy. I would have to resort to imagination.

I imagined a pair of man's hands on my boobs, squashing and rubbing my nipples. Then his hands moved to my legs, pushing them apart so that he could get to my pussy. One finger stroked along my wet slit, then parted my plump outer lips before stroking the sensitive inside,.making my back arch in ecstasy.

GRIPPING YARNS

Wee Dribbler of the Nobs

*A stiff challenge comes **Sir Galahad's** way when he takes on limp football team Poshnob Wanderers. Read on to find how our hero copes with being the Nobs' head...*

THE STORY SO FAR

It was the Golden Age of British soccer. The ball was as heavy as a wholefood bread roll; boots had studs as promising as an Eskimo nudist's nipples; shorts revealed less flesh than an Albanian documentary about bauxite mining; and the game was administered by a group of crusty old amateurs whose idea of forward planning was to shout, "Put the kettle on Mildred," five minutes before their tea-break (*Okay, so what's new? — The Ed*).

Yet despite these manifold advantages, British football was in crisis. Six months before, in Rio, Athletic Humping-cum-Wedlock of the Wessex Pheasant Pluckers League (Div 4) had lost 1:0 to the Brazilian national team. The news that 11 Brits could be overcome by a bunch of swarthy foreigners had sent a hubbub rumbling through the passages of the Lords; questions were raised in the House of Commons, and prices were raised in the House of Frazer.

The press was in total uproar. *The Blunderbuss* stated that General Gordon should be put in charge of our national sport. *The Daily Rifle* advocated Sir Garnet Wolsey, whilst the *Sunday Gun* said it didn't care who was in charge of it just so long as she had big knockers and wore a French maid's outfit.

MEANWHILE, ON THE TERRACES

Britain's two biggest soccer fans, the Right Hon. James Pillock and Sir Elton Feltup, were discussing the latest European results.

"Well, it seems that Dinamo Vampira of Transylvania, who were 4:0 down at half-time, have won 5:4. What do you make of that, Jimmy?"

"Well, Elton, it seems that Dinamo have literally come back from the dead. Good work during the interval by their manager Dr Frankenstein, there."

"And news just in. Prussia have thrashed France at Mars-la-Tour. French boss Louis Napoleon could face the chop after that one."

THE STORY STILL FURTHER

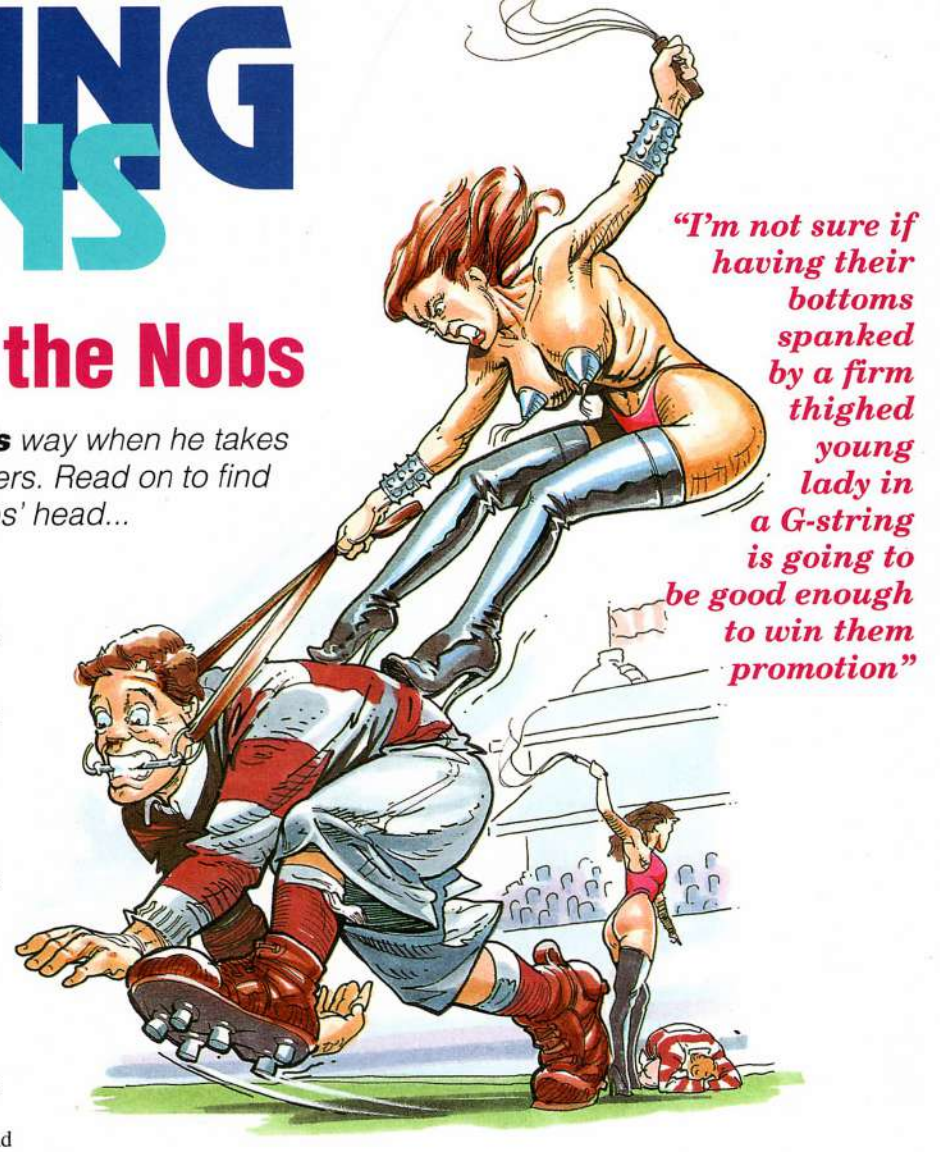
The stiff task of reviving the limp form of British soccer eventually fell upon the broad and manly shoulders of Sir Galahad Gusset-Snapper, manager of the Empire's most blue-blooded XI, Poshnob Wanderers — known in every corner of the globe where men gather to wiggle their rattles and cry "Fuck off, Ref, you blind bastard," as 'The Nobs'.

To restore lustre to the tarnished image of British sport, Sir Galahad decided to thrust his Nobs into the boiling cauldron of European football. He entered Wanderers for the Football Association of Europe Coppa Excelsior Shield.

But could they beat the best that johnny foreigner had to offer? On that score Sir Galahad was characteristically modest:

"At the end of the day," he said, "British football is in the FAECES and that's a step in the right direction as far as I'm concerned."

As to whether the Nobs' skipper, Major Balderdash Howitzer, would be holding it up and giving it a kiss at the end of the season, only time would tell.



"I'm not sure if having their bottoms spanked by a firm thighed young lady in a G-string is going to be good enough to win them promotion"

STILL ON THE TERRACES

The Right Hon. James Pillock and his chum Lord Feltup were discussing the progress of the game between Sheffield Bank Holiday Monday and Bristol Fondlers.

"Well, Elton, Fondlers certainly enjoyed a period of domination in that first half."

"Indeed, Jimmy. But I'm not sure if having their bottoms spanked by a firm-thighed young lady in a rubber G-string is going to be good enough to win them promotion. And their goalkeeper had a nightmare."

"Very much so. He spent 45 minutes dreaming that he was wearing no trousers and being pursued by a giant puffin."

THE STORY SO FAR. IT'S ALMOST OVER BEFORE IT'S BEGUN

Although Sir Galahad was as much out of the top drawer as a clean pair of socks or a liquorice-flavoured condom, he also realised that if the Nobs were to hold themselves proudly in Europe they would have to sign one new player. A player with flair, skill and the best goalscoring instinct. In short, a genuine working-class Northern oik!

Fortunately for the gallant knight he spotted just such a player whilst on a visit to his pease pudden mines in darkest Durham. As he watched the jinking little genius knocking in a hat trick for Haddawayanshite Spartans, Sir Galahad asked a spectator for the fellow's name. The fan replied in the gutteral tongue of the area. It was only when Sir Galahad asked the Spartans' manager for Ken Southenbastad that he realised he had been insulted.

Thankfully the insult was soon forgotten and the Nobs' supremo returned to the metropolis with a new player, Wee Geordie Dribbler. Sir Galahad realised that Dribbler might have trouble adjusting to life in London. After all, he was from the North-East, an area where the height of luxury was a warm toilet seat and a slice of bread and dripping.

To prevent homesickness therefore, Sir Galahad allowed Dribbler to live in his coalbunker, ordered his butler to tip buckets of soot over him at regular intervals, and ensured that the young player got out on plenty of training runs by shouting "Here comes the rent man," to him every few hours.

BACK ON THE TERRACES

Pillock and Feltup were worrying over the injury to Wanderers' star striker, the millionaire playboy 'Super' Dick Thrilling.

"Do you think if Sir Galahad sees that Dick is stiff, Elton, he'll pull him off at half time?"

"That's a tough one, Jimmy. Sometimes simply pulling a player off can damage his confidence. I think Sir Galahad is far more likely to call on Miss Mountshaft, the Nobs' new

illustrations by Adam Willis

head coach, and give her a chance to show how she earned that title."

"Indeed, Elton. She may give 'Blow Football' a whole different meaning."

ARE YOU SITTING COMFORTABLY? (THE STORY SOFA)

For indeed it was true, Sir Galahad had not only signed Wee Geordie, but had completed another revolutionary move. He'd spun round and round until he was dizzy. Whilst in this state it had come to him that his aristocratic team responded best to instructions given by the matronly lady who made the teas at Wanderers' South-East London training ground, Tooting Bottom. Who better then to appoint as coach than Miss Penelope Mountshaft, games mistress at Ploughwell's College For Super Young Gels With Child-Bearing Hips, Wiltshire?

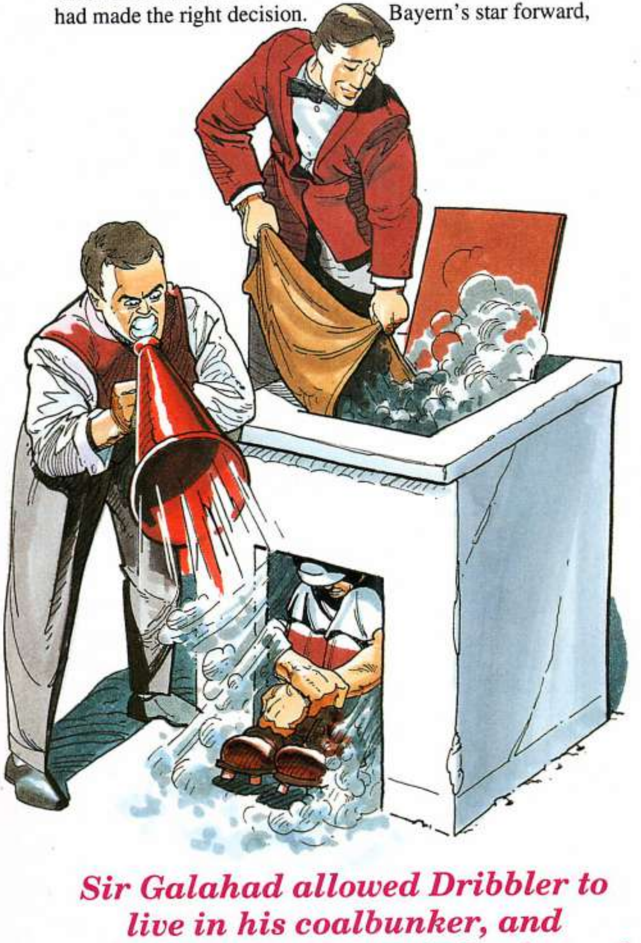
A call was made. Miss Mountshaft reacted with enthusiasm; she found Wilts frustrating and was eager to have a go at the big one. When he heard her first team talk, Sir Galahad knew he had made the right decision.

"Well, chaps," the new head coach began, her blouse oscillating as if Kevin Keegan and Billy Bremner were having a fight beneath it. "You may be asking yourselves, 'What does Miss Mountshaft want from us? Does she want a quick one down the middle? If we see an opening, should we slip one in early? Will she want us to bang it home powerfully, or does she advocate stroking it accurately?' I hope over the next few weeks I'll be able to give you all some inkling, but first I'm very keen to see your tackle. So show me what you've got, Nobs!"

TWO MONTHS LATER, ON THE TERRACES

The Right Hon. James Pillock and Sir Elton Feltup were eagerly awaiting the FAECES final — Tobor Wankinov versus Poshnob Wanderers!

"Well, Jimmy, the Nobs have certainly stood proud and firm in Europe this season. Who could forget their victory over Bayern Frankfurters?"



Sir Galahad allowed Dribbler to live in his coalbunker, and ordered his butler to tip buckets of soot over him at regular intervals.

"What a contest, Elton! Bayern's star forward, Jurgen Klingons, was marked out of the match by Wanderers' defender, Kleenex."

"Yes, Jimmy. Kleenex proved to be an expert when it came to tackling Klingons. But the next round was even more dramatic. The Nobs were 4:0 down to the Italian champions Inter Corso, whose Brazilian striker, Toto-Lee Caracas, had netted a hat-trick."

"Indeed, Elton. Who could have forecast that with just three minutes to go, Interpol would swoop and arrest the Corso players for drug running?"

"Very much a turn-up-for-the-books situation, Jimmy. In the remaining moments playing against no men at all, the Nobs recovered the deficit and ran out winners by 5:4. Wee Geordie proved his worth, scoring a total of four goals in just 45 seconds. However, the Wanderers' real star was Inspector Coke-Planter of Scotland Yard, who ensured that the Italians went from goals to gaols in just one easy step!"

That certainly was some performance, Elton. To my mind though it was surpassed in the next round, the semi-final against PVC Nickus of Holland."

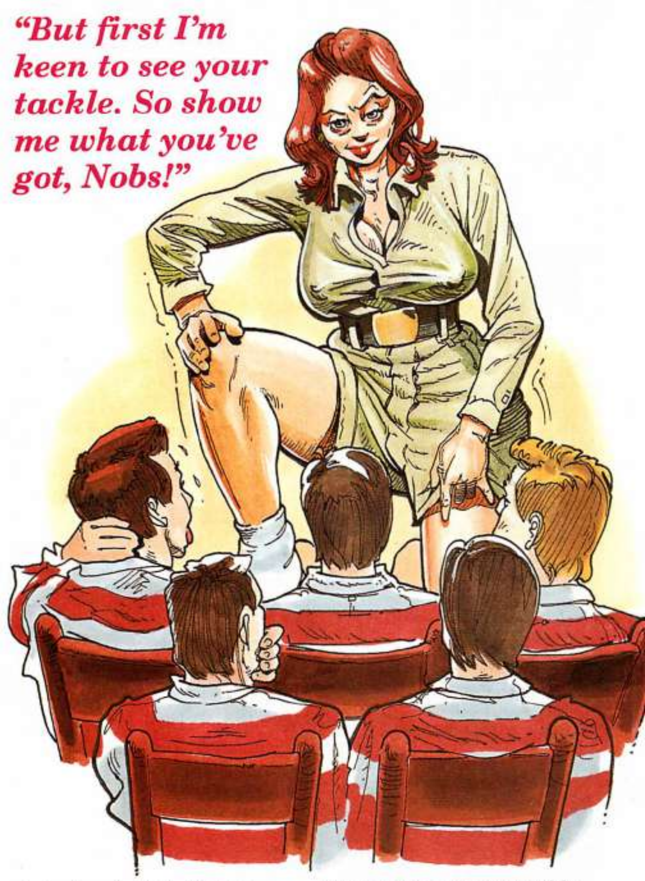
"Yes, Jimmy. The red lights of PVC's Amsterdam stadium certainly witnessed some heart-stopping action that night. After just half an hour the flying Dutchman, Ruud Strumpet, gave PVC the lead."

"Just so, Elton, but eventually a weak offside trap led to Nickus' downfall as Wee Geordie burst through to equalize. The Nobs really got the bit between their teeth in the second period and they began to rip Nickus apart. The pressure told with just seven minutes remaining. Wee Geordie nipped inside Van Thies, dribbled round Pubis, and slotted it between Wim Inn's legs. What a way to score!"

"Yes, Jimmy, but tonight that performance will count for nothing as the Nobs line up against Tobor Wankinov of the Incrediblia Undemocratic Dictatorship. This Eastern European outfit is a footballing machine."

"Very much so, Elton. And a machine that's as well-oiled as Frank Worthington on a Saturday night. Let's hope that Wanderers can put their spanner in the IUD's works."

"But first I'm keen to see your tackle. So show me what you've got, Nobs!"



45 MINUTES LATER IN THE NOBS' DRESSING ROOM

Sir Galahad Gusset-Snapper paced the tiled floor of the changing room.

"Dashed disgrace. 48:1 down at half-time. Whoever would believe it? You chaps had better pull your socks up in the second half, that's all I can say!"

Wee Geordie Dribbler raised his hand for permission to speak. "Alright, man," barked Sir Galahad. "Get it off your chest!"

"Aye, well sir," said Wee Geordie, "I couldn't help noticing in the first half that Tobor's players all have wheels under their boots. Also their eyes flash like fairylights, they make strange bleeping noises and they have antennae sticking out of the tops of their heads. Furthermore, Tobor is an anagram of robot. I reckon we're up against a team of mechanical men!

"Now I only have an elementary knowledge of cybernetics, but it's my belief that the computer-like minds of Wankinov's androids are programmed to counteract our usual style of play. Therefore if we switch to a 4-4-2 formation, give the wide men a free roll, and look to release our midfield players on runs from deep positions, we should have no problem recovering the defecit." He sat back triumphantly. The rest of the team stared at him.

Eventually Sir Galahad broke the silence. "What did he say?"

"We don't know," chorused the Nobs. "He has such a dreadful oik accent we can't make out a single word he's saying."

Sir Galahad shrugged. "Not to worry. Probably just some codswallop about Blaydon Races. Anyway, let's go out in the second half and keep on doing what we do best."

And the Nobs lost 108:2.

SOME MONTHS LATER, ON THE TERRACES

The Right Hon. James Pillock and Sir Elton Feltup were discussing close season transfer dealing.

"So, Elton, what do you make of Wee Geordie's move to Fatzio Roma?"

"I can't blame him for going, Jimmy. £50,000 a week and all the tasty Italian crumpet he can handle. I'd be quite tempted myself."

"Yes, Elton. It seems that the Nobs' entry into Europe has given at least one player a happy end-in!" ♣

Tammy

Tasty Tammy looks like the kind of gorgeous girl we all love to dream about — but the sweet 19-year-old receptionist from Bedford has quite a few dreams of her own. "I live in a fantasy world most of the time," admits Tammy, blushing. "My boss tells me off for constantly being in a dream. I reckon he'd have a fit if he knew exactly what I was thinking about though!" Dare we ask what is on your mind, Tammy? "Well, usually I'm imagining some guy is sweeping me off my feet right there in the office, and then taking me to his place for a really passionate, steamy session between the sheets!" Say no more, Tammy! ♣

WOMEN'S WRITES

Where the girls get down to business

Fantasy Foursome

This is the first time I've ever written to a magazine, but Club has given me such a new outlook on sex that I wanted to tell you all about it. I come from a small town and I've never seemed to have much time for guys. I concentrated on my job far more than my sex life — but that's all changed now!

I've just got back from my holiday in Plymouth, where I was visiting my old college friend Sara. I've kept in close touch with her through the years. Not only is she a good friend, she's also very beautiful — she looks a lot like your covergirl Kelly from Vol 20 No 6, with long, wavy blonde hair and a fantastic curvy figure.

One day while I was staying there, I came back from doing some shopping and walked in on her frigging herself to Club. Her legs were spread wide, and the crotch of her panties pulled to one side, so I had a clear view of what she was doing. She must have slid her finger into her pussy ten times, licking it between each stroke, before she saw me at the doorway. Her face turned bright red at once, and I'm sure mine did too.

Sara managed to compose herself a bit, and then we made some coffee and sat in the kitchen talking for a while. She showed me her copy of Club, the first I'd ever seen. I had to admit I found it really exciting, and my cunt started to feel very hot and wet.

We had quite a frank conversation about sex, and Sara asked me if I had any fantasies. I confessed that I'd always wondered what it would be like to be fucked by one cock and suck on another at the same time.

I went out to my car to get the rest of my shopping, and when I came back in Sara asked me I fancied doing something different that night, like going to a party. I told her I liked the idea, and went to have a shower. Just as I was finishing up Sara came into the bathroom and asked if she could jump in, before I turned the water off. She wasn't talking about jumping in for a shower, she was jumping in for me!

She gave me a long, wet kiss and started to rub her hands all over my body. I'd never kissed another girl before, and at first I was stunned; but I was also attracted to her, and I realised that if she had the courage to make the first move, I should have the courage to respond.

Sara sucked my nipples and fingered my pussy at the same time. Then she went down on me and licked my clit hard. The combination of the warm water still running down my boobs and thighs, and Sara's hot tongue lapping at my cunt, made me climax really strongly.

Then Sara said we'd better hurry up and get dressed ready to go out. I would have liked to continue our fun for a while longer, but she said she'd told her friend Paul we'd call round. As we walked up to his front door, Sara reminded me about our earlier conversation, winked at me and whispered, "Dreams can come true!"

I was intrigued, but I didn't

have time to ask her what she meant before the door was opened by a gorgeous guy. As soon as we got inside, Sara did something that amazed me. She walked straight up to Paul, unzipped his flies and pulled out his cock. It instantly went hard, and she began to suck it. I was transfixed by the horny sight, and when Sara told me to come over and join in I couldn't resist. I knelt by Sara and we took turns licking on Paul's rigid dick. It felt really good, and I was already getting very horny, when I felt a pair of hands stroking my tits from behind.

I turned round and another sexy guy grinned at me and said, "Hi, I'm Mark." He took my hand and led me to the bedroom. As we kissed, Mark unbuttoned my blouse, and then pulled off my jeans. As he pulled aside the crotch of my panties to finger me, sucking my nipples all the while, I couldn't believe it was me doing this. But I was enjoying it so much I had no intention of stopping!

Mark was sucking and licking me all over, holding my feet high in the air so my cunt was open and exposed for him. My eyes were closed in ecstasy, but when I opened them, there was a rock hard cock in front of my eyes. It was Paul. I could see Sara in the doorway, pulling her skirt up to expose her cunt as she frigged herself, and I suddenly realised that she had planned the whole thing. She was going to make sure my fantasy came true!

I was definitely in the mood for two cocks. I sucked Paul's big dick eagerly, and the more Mark licked my clit, the more cock I wanted. But there was still one surprise in store for me. In walked yet another gorgeous guy, completely naked — Sara had got not just two, but three guys for me!

Mark slid his cock right into my cunt, as I sucked on Paul's dick. It didn't take me long to make him come, filling my mouth with hot, salty spunk and then spraying the rest over my tits. Then Mark came, soaking my pussy with his load. The third guy, John, was wanking over me, and he covered my thighs with his come .

Sara came over and began to lick my cunt, lapping up Mark's spunk from my pussy and thighs. She got me to come straight away, and then Paul, who was already hard again from the sight of Sara licking me, slid his dick into my soaking love hole.

When I'd fucked all the guys, Sara bathed me with her tongue, and then we took a steamy shower together before going home to her place for more lezzie frolics. By the end of my stay with her, I felt like a new person — and a very horny one. So Sara, if you're reading this, thanks for the incredible holiday. And Club, you've increased your readership by one horny girl, thanks to Sara! — *Janice, Crewe*

Champagne Capers

I know it's usually girls who send their true experiences to your column, but Kelly insisted I write this one. She was too busy sucking my cock! We had a really horny experience recently — and who better to share it with than Club's saucy readers!

Once a year I go and visit my cousin, and we set each other up with blind dates. It's always a lot of fun. This year we arranged to meet up in a nightclub, and I took along my mate Darren for my cousin Samantha.

When Darren and I got to the club we found some seats in a dark corner, and watched the crowd for Sam and her friend. As I scanned the dancefloor I picked out a really stunning brunette, with the most perfect figure I'd ever seen. She was wearing a mini so short it was only just decent, and a bra top which showed off her lovely boobs. I just hoped my date for the night would be half as attractive!

When Sam turned up on her own I felt a bit downcast, but she reassured me that her friend was meeting us there. Suddenly she yelled, "There's Kelly," and dashed off. Darren was just telling me how gorgeous he thought Sam was when she reappeared with... guess who!

The incredible brunette I'd had my eye on was my blind date for the night!

As Kelly sat next to me, my heart jumped — and so did my cock! She had such a powerful effect on me I couldn't keep my eyes off her, and when she sat down really close to me, her petite body pressing against mine, I realised she knew exactly how horny I was getting.

When it was time to leave the club, Kelly suggested we go back to her place. Once inside her flat, she produced a couple of bottles of champagne from the fridge. I don't know if she was trying to impress me, but she certainly succeeded! She gave one bottle to Sam, took one for herself, and led me into her bedroom with a sexy pout of her red lips.

Before long we were locked in a passionate kiss, her fingers exploring the bulge in my trousers as my dick got rock hard again. I ran my hand up her leg, under her skirt, until I reached her panties. As I touched the damp patch between her legs she moaned, and I pushed the flimsy material to one side so I could tease her pussy. My fingers slipped along her slit easily, and almost as soon as I got one finger inside her she was coming. I'd never known a girl to climax so quickly, and I got the definite impression that she wasn't finished yet!

Kelly drank a mouthful of champagne, and then passed the bottle to me while she slipped off her bra top to reveal a beautiful pair of tits. I told her that her nipples looked very suckable, and she smiled at my appreciation and wriggled out of her miniskirt. When she took off her panties to show me her golden bush that was it, I was out of my clothes in a flash!

Kelly knelt in front of me and her red lips folded around my throbbing shaft. The sensation of her gentle sucking was driving me crazy, but I didn't want to come yet, so I pulled her onto the bed beside me. I started licking my way down her neck to her boobs, sucking each nipple in turn until her breathing became really heavy. Then I carried on licking my way down to her lovely pussy. I could smell her sweet juice and I wanted to taste it too.

I ran my tongue around her slit, then pushed it right into her cunt. She squirmed and squealed as I teased her pussy with my tongue, then suddenly gasped, "Wait a minute, I need cooling down." With that, she grabbed the bottle of champagne and poured some on her flat stomach, so it ran down over her pussy. Then she poured some over her tits, and then even more over her cunt. "Lick it off," she instructed me.

Let me tell you, champagne has never tasted so good! I lapped it off her boobs, and then licked it out of her love hole. By now I was desperate to fuck her, and she was obviously feeling the same way, because she rolled over onto her hands and knees.

"Doggy style is my favourite way," she squealed as my rock hard cock slid into her hot tunnel. She was so hot and wet I had to concentrate to hold myself back, otherwise I would have shot my load straight away.

I kept my fucking rhythm slow, and that certainly did the trick for Kelly, who yelled as she climaxed again. I kept pumping away until I knew I was about to come, and then I pulled out of her and shot my load all over her bum and thighs. My hot spunk cascading over her soft skin brought another moan of pleasure from Kelly, and she rolled over, taking my cock in her mouth and sucking the last few drops of spunk out as she moved her hand between her thighs and frigged herself to a final climax.

Kelly gave me a real night to remember. And there have been plenty more! Not only is she the best looking girl I've ever laid eyes on, but if she likes you she just goes totally crazy for your dick! — *Martin, West Yorkshire*

ON THE JOB

In and out of the office

Filthy Frolics

I caused a bit of splash when I appeared in Club Vol 20 No 8, and I enjoyed it so much that I decided to let you all in on another of my sexy adventures with my flatmate Simone. She's the one who gave me the frig of a lifetime in Club's last issue — and given half a chance she'll do it again, and more!

We're both at college studying English, but I'm afraid we're not model students. In fact my idea of poetry is more the sort that's in motion! I've screwed most of my tutors — if I count Miss Rawlings over the photocopier last week I do believe that's them all! Simone is just as bad, and we always get together in the evening to work on our league table of good lays.

Top of the list this month came Pascal, the extremely tasty French assistant who was here for a term to teach us something about French literature — French letters more like! I'd love to tell you raunchy Club readers about our horny three-in-a-bath love romp.

Both Simone and I had fancied Pascal from the first time we met him, and he seemed to rather like us both too. I made the first move by

asking him to our flat-warming party. He readily agreed, even though socialising with students was discouraged.

The night of the party we were both a bit nervous at the prospect of his arrival — particularly because he was the only guest. At ten o'clock, we had the music up, and both of us were in our skimpiest, sexiest underwear, shivering as we waited.

Bang on time, the doorbell rang and there was Pascal, looking bewildered as he stood there in his smart clothes, with a bottle of wine.

"Am I a beet earlee?" he asked, looking round the empty room, then back at us. At the sight of our nearly naked bods his eyes widened.

"Ah, pardon!" he exclaimed. "You are not ready yet!" and he began to retreat.

Simone and I grabbed him by the arms and stopped him from leaving.

"No, you've got it all wrong, Pascal," I cried. "This is a special party — in your honour. But I think you're looking a bit grubby for such an important celebration... so how about sharing a bath with us!"

I think Pascal had given up on understanding the situation by now. He followed us dumbly into the bathroom.

Now our flat is a bit plush by most standards and it's got a rather impressive sunken bath. This was already filled to the brim with warm soapy water. "Why don't you sit right over there, Pascal," I suggested.

He sat down, pouring himself a large glass of wine. Then the party really began. I scooped up some foam from the bath and dribbled it over Simone's boobs, barely contained by her tiny bra. The water instantly made her nipples stand up in little points against the material. I slid my hands down over them, rubbing the foam into her skin and cupping her boobs. I rubbed my fingers over her nipples, and she tilted her head back and gave a low moan of pleasure.

As I kneaded and stroked her boobs, Simone pressed her pussy mound against me, searching for contact against her clit. I could feel the swelling against my thigh as she rubbed herself against my leg. Her panties were getting damp as the stimulation got her juices flowing.

I pulled off her bra and began to suck on her nipples, licking my tongue round them as they swelled even more erect. I took more of her boob into my mouth, licking all over the soft surface. After a few minutes on one boob, I transferred my attention to the other one, keeping the stimulation on the first nipple with my thumb and forefinger.

I glanced at Pascal through the corner of my eye and saw that he had all his clothes off, and his cock was already hard and straight. He was staring at us, transfixed.

"Bath-time!" I squealed and jumped into the tub, sending foam everywhere. Simone followed me and soon we were splashing and kissing in the warm water. Simone pushed my legs up on each side of the bath so that she had a good view of my pussy, just a few inches under the water.

She began to tease it with her fingers, and the combined feeling of her fiddling and the warm rippling water was delicious. She slipped a couple of fingers into my hole and began to finger-fuck me slowly. I raised my hips further out of the water so that Pascal could see her fingers thrusting into me, and pretty soon it was more than he could stand. He came over to the bath and sat on the edge, watching, his cock standing up against his belly. The sight of its swollen helmet made me want to slip

my tongue and lips right over it there and then.

As Simone thrust her fingers faster and faster into me, Pascal leaned over and tweaked my nipples between his thumb and forefinger, spreading the sensations across my whole body, until my body spasmed in my first terrific orgasm.

Now wet and foamy we got out of the bath and treated Pascal to the sight of us writhing together, rubbing our bodies over each other and slipping and sliding in the suds. I positioned myself directly over Simone so that our nipples touched and rubbed together. Simone grasped my bum cheeks and kneaded them together as I ground my pussy mound against hers, squeezing my pussy lips together and against my clit. Then I turned round so that I could get a faceful of Simone's wet, swollen pussy. I licked and lapped at the soft lips, teasing the entrance to her hole, while she did the same to me and soon had me approaching another orgasm.

But Pascal had been left out too long. We could tell he was desperate to join in. He was watching us with wide eyes and a hard-on that was obviously aching for some attention. I got up from Simone and went over to him. "Come on," I said, offering him my hand. "Get in the bath."

Hesitantly he stepped into the foamy water and I sat on the edge where I could easily get my hands around his cock. I poured some baby oil into the water too and began to rub the foam and oil into Pascal's rigid cock. He moaned and leaned back as my hands slid up and down his shaft. While one hand wanked him furiously, the other cupped and stroked his balls, also foamy and slippery. The sight of Pascal moaning and not far off a climax was turning me on further, and I decided that I was going to be the first to have his delicious cock inside me. But first he was in for a bit of a tease. I stopped rubbing his cock and stood up. He looked at me in alarm. "Don't stop," he said.

"Before you get the fuck of your life, Pascal, I want you to do something."

"What? Anything!" he moaned, staring at his swollen, purple-headed cock.

"Simone and I want you to think of something sexy you can do to us. We like good messy sex, and we expect our guests to come up with a new example of messy fun when they come round."

"I have to think of it... now?" he asked hesitantly. "Couldn't you just finish..."

"Oh no," I said, sternly. "You've got to come up with the goods first."

Pascal looked in panic round the bathroom. There was shampoo, talc, various soaps and oil... but nothing that would make a real sexy mess. He looked so crestfallen than we almost took pity on him, but then suddenly, he leapt out of the bath and with a cry of "Eureka!" quickly dried himself and pulled on his clothes. In two minutes he was out of the door, pulling his jeans up over his still hard cock as he ran.

Simone and I looked at each other. "I think he's given up," Simone said, sadly. "Such a shame... he looked like he would have been a fabulous screw."

We were just commiserating with a bottle of wine and a swift fondling of each other's clitty when the doorbell rang. I grabbed a towel and ran to open it and there was Pascal, standing there with a huge bunch of flowers.

"Have you got something?" I asked, dropping my towel in my delight, and from the centre of the bunch of roses came a spurt of cream spattering all over my boobs and neck.

"I ran home," Pascal

explained. "Especially to get it." Breathlessly he began to pull off his clothes, and the anticipation had swelled his cock up again, rigid and ready for us.

When Simone saw the cream, she squealed with delight and began to rub it into her boobs, stroking furiously between her lovelips as she did so. She grabbed the can from Pascal and squirted it over me, getting on her knees to lick it from my belly and thighs, and then she directed the can at Pascal's cock and balls, covering them. In seconds, she was licking the cream off Pascal's impressive shaft, rubbing her clitty as her tongue ran hungrily along his whole length. She kissed and licked his balls, getting cream all over her face, before sinking Pascal's shaft right to the back of her throat. I grabbed the can and squirted more cream all over her bum cheeks, getting onto the floor to rub it into her skin and lick it off again.

I lay on the floor and pulled Simone towards me so that her pink pussy was right over my face. Forgetting the cream at the sight of her beautiful lovelips dripping with juice, I placed my tongue at the top of her slit where her clit was already swollen to a warm hard button. It pressed against my tongue as I licked and sucked at it furiously, and then ran my tongue between her wet lips to her hole, where my mouth filled with her sweet-tasting juice. Her pussy walls gripped my tongue as I thrust into her, and as she came, I slipped my hand between my own legs to bring myself off. As I rolled out from underneath her, Pascal pulled his cock out of Simone's mouth and shot his creamy load over her boobs and neck. She licked it up, obviously enjoying it even more than the cream!

Then she poured cream over my tits and belly, so it trickled down over my tingling pussy and onto my thighs. It felt cold at first, but soon warmed up as Simone and Pascal took turns licking it off, dipping their tongues into my cunt until I came again.

It was our best messy session ever, and Pascal certainly shot to the top of our best lays list. In fact he's still there, as we've been shagging every week since!

COUPLES CONFESS

Share and share alike!

Hair Enough!

My husband Kev has always been a bit on the kinky side — but he mirrors my own kinky fantasies so well I'm only too happy to go along with it. I thought I was alone with my fetish until I met him, but now we're able to indulge happily together!

You see, Kevin has got a thing about hair. He loves the feel of it, the smell and the taste as he licks it and fondles it, the sensation of it brushing against him — it drives him into a real sexual frenzy. When he's like that, there's just no stopping him, and he's pile-driving that meaty cock of his right up my wet, waiting and willing pussy. I can't get enough of him when he's feeling that horny.

Not surprisingly, Kev, having discovered this little kink very early on in his life, trained as a hairdresser. Now he owns a very successful chain of salons right across the Midlands — although you wouldn't think it to look at him, with his skinny figure and straggly, wispy beard. He's always had a beard since I've known him, because he likes the feel of hair on his face, and the way women can't resist giving it a little stroke. Apart from having this fetish about it, Kev has a real feel for handling and styling hair, which is why he's become so successful.

My fetish is a little different to Kev's but still involves hair. I have my hair cropped very short, razored around the sides and the back, so that there's only a light fuzz covering most of my head. I've had it like this for years, at first because I was a bit of a punk in the late 70s, and then I kept it because it makes me wet between the legs and unbelievably randy to feel someone stroking their hands, lips or cock over my sexy crop.

Kev and I have been married for ten years, and because he's so successful in business we have a large house, and can afford a cleaner and a gardener and enough holidays to keep us both happy. We always attract a lot of curiosity when we go abroad, because we look such an odd couple, but anyone who's into the same kinds of fetishes that we are can recognise us because of our appearance, which has led to some very steamy encounters.

You see, Kev and I are both into group sex as well — the variety really spices up our sex life, and we're always hot for each other when he's watched me taking another man's cock right up into my snatch or I've seen Kev going down on another woman, his wispy beard ticking her clit and making her squirm and shriek with pleasure.

What I want to tell you about is something that happened to us a couple of months ago. Knowing Kev as well as I do, I always know when he's got his eye on another woman that he wants to fuck, and this time the signs were all there — he kept working late, he was even more attentive to me and randy in bed than usual and he kept dropping hints that we ought to have another of our group sessions.

Kev's taste in women and mine are about the same, so I felt very excited when he told me he was bringing this girl called Zara home with him. The afternoon that he was doing this, I made sure that I was ready by wandering around the house in my dressing gown, stroking my clitty whenever I felt like it, feeling how wet I was between my pussy lips and occasionally looking at Kev's copy of Club to get myself even more excited.

Kev eventually turned up with Zara, and I could see exactly why he was so taken with her. She was stunning: tall, slim and with long, shiny, straight blonde hair reaching right down to her bum, which was obviously why Kev was so hot for her. When she took off her coat she was wearing just a semi-transparent body-stocking underneath, and high heeled black shoes.

As planned, we sat around talking while we waited for Peter, our gardener, to arrive. He's been party to our swapping sessions ever since he started with us — and since his fingers are hardly what you'd call green, that's the only reason that we keep him on!

He's a lovely, strapping lad in his twenties, and his thick, smooth cock is one of the best that I've ever had the pleasure to be fucked by!

When Peter arrived, the

session began in earnest. I was so worked up by this time that as soon as he walked in I threw off my dressing gown and walked up to him, feeling my hard nipples poking into his chest as I reached up and thrust my tongue right into his mouth, kissing him passionately. I started undoing his trouser buttons, pressing myself as firmly against him as possible, my hands wandering down to his crotch and running through his curly pubes. I love the smell and texture of a man's bush when I'm having sex. It's like a red rag to a bull for me!

"What do you want them to do, Zara?" I heard Kev ask. "Tell them what to do and they'll do it." I was expecting this, since it's our usual swapping routine with a new partner, so when Zara said that she wanted me to go down on Peter and suck his cock till he came in my mouth, I was down on my knees right away and pulling off his jeans to reveal his thick, swollen, purple shaft.

The rustle of clothes behind me told me that Kev was getting undressed and I guessed Zara would be too. But now my mind was wholly on Peter's lovely, thick cock as I worked my eager lips around it and sucked my cheeks in so that I could take it right to the back of my throat and feel the tip of it rubbing there. Peter felt even bigger than usual, and his end was already sticky with juices leaking out. I sucked and sucked until I could tell that he wasn't far from coming and then instigated my very favourite party piece.

Sliding his cock out of my mouth, I told him, "Rub it on my head." I looked down so that he could get the full effect of my glorious shaven crop. Peter wasn't new to this either, and soon I felt the ecstasy of his smooth, circumcised prick rubbing gently back and forward over my head. I was trembling and gasping with pleasure, my fingers reaching down to my already dripping wet pussy so that I could frig myself off two or three times, my cunt contracting wildly around my probing fingers.

"Let me finish you off," I yelled to Peter, and just as he pushed his pulsing prick back between my waiting lips, I felt a curtain of silky hair fall over my shorn head and a pair of lovely firm boobs pressing into my bare back. As I sucked Peter's cock, Zara nibbled and licked my neck in rhythm, her hard nipples poking right into me.

"Tell her what I'm doing to you," Kev ordered her. I could hear the rising excitement in his voice.

"He's fucking me, he's fucking my pussy!" Zara yelled. I'd never heard anyone sound so turned on before. Zara's breathing sounded really erratic from the excitement.

I could feel her thrusting against me as Kev drove into her again and again, and that pushed me right up against Peter. This final touch on his sensitive dick end made him come with a loud groan, shooting his sticky load right to the back of my throat. I gulped it down greedily.

Falling forward on to my knees, temporarily exhausted, I turned around to see Zara being royally fucked by Kev, his thrusts getting harder and faster as his orgasm approached. She was crouching on all fours, her mouth open in a silent scream of pleasure as she took all that his cock could give her.

But in accordance with the rules that Kev and I always stick to in our group encounters, I knew that he was saving his spunk for me. We always agree on that, because we both get terribly jealous if we're deprived of this pleasure for too long! Zara was just starting to come as Kev pulled his cock out of her wet cunt and, lifting my legs up on to his shoulders so that he could penetrate me really deeply, he pushed right up me with a single thrust.

I lost all sense of time as he pushed in and out of me so powerfully and my cunt walls hugged him tightly. At the same time I could feel him reaching down to suck and nuzzle my hard little nipples, his beard scratching and rubbing against me. I screamed with ecstasy two or three times, panting, the sweat running down my face and right between my shoulder blades.

The next minute I felt Zara move round to my head and then the most beautiful feeling of hair all over me, draping over my head and face and most importantly, my hot nipples.

"Rub it into me, Zara," I moaned. "I want to feel it all over me. Rub me!"

Zara did as I asked, and the silky curtain of hair felt so

erotic as she brushed it over my skin that I came, my cunt walls clenching around Kev's still driving cock. But Zara kept on stroking me with that incredible mane, draping it over my head and face and gently rubbing it into my tits. My nipples felt as if they'd explode any minute.

The sight of all that hair play was clearly too much for poor Kev. With a low moan he reared up on to his haunches and shot his load into me so copiously that it started dripping out of my cunt straight away, as he continued to spasm and shoot more. That hair was still rubbing, back and forth, back and forth, and I kept on coming until I could barely even raise my head, it made me feel so beautifully, satisfyingly exhausted.

Kev had come all he could too, and his spent cock slid out of my cunt and lay, sticky and tired, against his pale pubes. There was just one thing left — Zara was still feeling unsatisfied.

"Peter, do it to her — it's only fair," I told him.

But Zara had other ideas — she was going to take command here! Kneeling up, she grabbed Peter's hard prick and proceeded to completely wrap it in her blonde hair, so that only the swelling tip was showing. Then she gently wanked him with the hair while licking his knob at the same time, looking saucily up into his face. The feeling of the hair must have been tremendous, and despite what he'd just gone through, I could see that Kev was looking distinctly jealous.

Peter was soon spraying his salty spunk all over Zara's boobs and pubes, directing it deliberately downwards so that I might catch a few drops of it as I lay underneath her pussy and gave her a very thorough licking out, which made her gasp and squirm and almost beg for mercy when I touched on her sensitive clitty.

Naturally, Zara has now become a regular at our group sessions. Neither Kev nor I can resist that incredible hair, and now we usually start the foreplay with me washing and drying the blonde mane carefully, so that it's in tip-top condition for what's to come! — *Lyn, East Midlands* ♣

ANGEL'S BACK

STORIES OF SEX

Six explicit stories of sex featuring:—

- the Gardener with his horny hands and horny bulge
- the Convict who screws the nympho blonde into ecstasy
- the Mystery Man who shafts the girl in an empty house
- the Musician who lets the girls play with his instrument
- the Best Friend's Husband screws her while his wife's out
- the Ex-lovers meet again for one last magnificent sex orgy

NAUGHTY NEIGHBOURS

A chink in the curtain reveals the wife-swapping antics in a surburban town. John screws Peter's wife Sally, while Peter gets his end away orally, so to speak, with John's wife. Meanwhile, Carol and Claire are into a lesbian screwing session and Allan's wife, Jackie is showing the workmen the crack that she wants filled.

BUSTY SPECIAL NO. 1

When little Alice spills a drink down the dress of Margaret, the big busted blonde, she strips off and lets Alice dry her body, including those big, bulging tits. Then Alice gives her a baby oil massage, finding her way into every nook and cranny, until Margaret is completely satisfied.

ANGEL'S BACK

Back to what she does best — sex — with anybody. Lots of lesbian and group action. A superb gym session, where she lifts all the tackle going and makes the most of the bulging equipment. Then her insatiable lust takes her into a Harem orgy with Arabs built like stallions.

TRACEY

Photographs by Jack Harrison

Titillating Tracey looks like a right little raver, so it comes as a bit of a shock to discover that her major passion is...

"Housework! I just love it," giggles the tempting 21-year-old from Staffordshire. "All that physical exertion gets me so hot and randy — it's the perfect prelude to a sex session!

"I've even set up a business with my friend

Julia, doing chores for local people. We always end up stripping off and getting really wet — and not just from doing the washing-up! You'd be surprised how many bored housewives — and even the odd horny house-husband — we encounter on our rounds!" ♣

say that men think about sex at least once every 30 seconds?"

Yeeees...

"We'll I think about sex all the time," confesses the sweet 19-year-old.

"I give the impression I'm actually watching TV or something, but really I'm daydreaming about how I'd love to feel a big cock sliding into my pussy, and a guy's tongue licking my hard nipples.

"My naughty thoughts get me so juicy and turned on that I have to find myself a secluded spot for a bit of furious pussy fiddling. Guys look at my blonde hair and big brown eyes and think I'm so innocent — they've got absolutely no idea what I'm really like!

"Except all you lucky guys, of course!" ♣

IN·THE·BAG

continued from page 44

He slid his finger down to my hole, then I felt the hard helmet of his cock nudging my entrance. My orgasm began almost simultaneously as his cock slid into me, filling every inch of my tight pussy. His hands ran over my body as he thrust deeply into me, and my hips writhed as I came.

So girls, let this be a lesson to you. If there's no one around and you're not one of those liberated types with a dildo or vibrator, let your imagination do the walking! — *Gaynor, Liverpool*

French Amour

I have recently emerged, drained and battered but exhilarated, from an incredible affair with an older woman. Her name was Helen, and I can only say that she hounded me into submission! From the evening I met her at my night school where she teaches French, she made it very clear that she wouldn't give up until she'd had me!

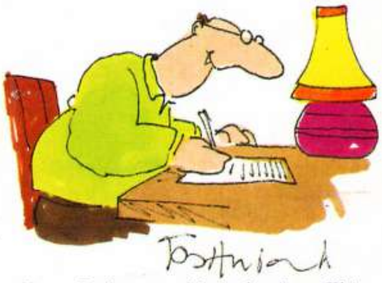
She was extremely attractive, with dark hair and an incredible bust which she took every opportunity to tease me with by brushing against me, and leaning over me while she was talking, displaying her gorgeous cleavage.

Our affair began when she criticised my pronunciation and suggested that I stay behind after the class for a bit of oral work. Helplessly, I agreed.

When the class had all left, she sat on the edge of her desk, her arms folded, looking at me so hard that I blushed. From where I was sitting, I could see up her skirt as far as where her firm thighs crossed, revealing her stocking tops. She seemed to be sizing me up, then she said, "Come over here, then."

My legs were shaking as I went over to her. Without a word, she began to run her hands over my body, concentrating on the rapidly-growing bulge of my cock. Then she unzipped my jeans and let my cock spring out.

I was being seduced! I decided the only course of action was to relax and enjoy it. I closed my eyes and instantly felt her warm mouth envelop my shaft. Her hand grasped the root firmly as she licked and sucked along the whole length, running her tongue around the rim of my helmet and rasping along the underside. I had never had a blow job like it, it was incredible.



Dear Sadomasochist's Society: This is my twelfth letter to you today, and yes, I'm getting writer's cramp....

Pretty soon it was too much for me. I simply had to give this gorgeous woman the fucking of a lifetime! I eased her face off my cock and began to strip her until Helen was standing in front of me naked but for her black suspenders and stockings and high heels. just wanted to bury my head between her thighs and lick her clitty until she screamed with delight.

But Helen had other ideas in mind. She turned away from me and bent over the desk so that I had a breathtaking view of her round bum cheeks. My cock slid easily into her slippery pussy. She gripped me firmly as I thrust into her, my balls slapping against her bum as the pace got faster.

As I pumped into her, I reached round and pressed her clit with my fingertips, sending her into a paroxym of delight. I felt her pussy walls begin to contract around my cock, drawing the spunk from my balls and into her.

As my climax approached I thrust into her harder, feeling every inch of her hot pussy rubbing my cock, until spurt after spurt of spunk exploded into her. Helen moaned and squirmed against me, her hips bucking wildly as she came.

That was the beginning of my hottest ever affair. Eventually, Helen fell in love with a Frenchman her own age and ran off to France to get married, but I still have a stack of wonderful memories. — *Derek, London* ♣

SON OF BAD JOKE

Brian of Newcastle sent us this hilarious little snippet on a piece of toilet paper. Was the punchline on the next sheet, Bri?

John had two pet monkeys whom he loved very much, but both died within two days of each other. He decided to take their bodies to the taxidermist so that they would be with him forever. The taxidermist gave him an estimate for the job and asked if he wanted them mounted.

"No," came the reply. "Just have them shaking hands."

Well Brian, I'm afraid we spent more time laughing at you for being a Northern oik than we did at this crap joke. Here's a Club T-shirt for you to use in an amusing way.
